DECISION DAY

Public could find out which store has won at restricted access special public meeting

BY BEN MIDDLETON
ben@findlenews.co.uk

RESIDENTS in Seaton could be on the verge of finding out if they will have a Tesco or Sainsbury's supermarket in the town.

A special meeting of the East Devon District Council (EDDC) development management committee will be held in Seaton Town Hall from 2pm this afternoon. Public interest in the applications is expected to be huge and entry to the meeting will be restricted to 200 people on a first come first served basis.

Both Tesco and Sainsbury's want to build on the regeneration site in the town.

Tesco has said its application will include an eco food store, fuel station, retail kiosks, car parking, public open spaces and various road, pedestrian and cycle access improvements. They also state that hundreds of full and part-time jobs would be created.

If Sainsbury's is successful, it states it will create a new Seaton and Jurassic Coast Visitor Centre, new tramway terminus, a 28,000sqft foodstore, 430-space car park, replacement skate park and children's play area, a new public square, a Sustrans cycle hub and more than 200 new jobs.

Early signs look promising for Tesco as EDDC planning officers have recommended approval for their project, subject to Section 106 agreements, and have recommended to refuse the Sainsbury's application.

If Tesco is given the green light it would propose to bring in large quantities of fill material by sea to raise the level of the regeneration site to guard against flooding — this would have to be considered with a separate planning application.

An application by the Axe Riverside Company, which wants to create a residential development of 90 apartments, 36 of which would be affordable housing, will also be discussed.

Elaine's leap raises £700 for charities

A COLYFORD woman has raised more than £700 for the RNLI and the Devon air ambulance by taking part in a charity skydive.

Elaine Hearvey, who works at the White Hart Inn, made the leap at Dunkeswell airfield on Friday, September 11th.

She said: "The guys from Dunkeswell have been ringing around all the pubs in the area to see if anyone wants to do a charity jump. I think quite a few people have taken up the offer so far.

"I have managed to raise £750 so far and some of this will be going to the RNLI and the rest will be going to the air ambulance."

Artwork on view is first

PECORAMA in Beer is branching into art exhibitions for the first time.

A three-week programme is currently underway in the lecture theatre.

The first week, which started on Monday September 14th, shows — among other things — a selection of prints from Angela Yarwood, the proprietor of Brook Gallery in Budleigh Salterton.

Formally named Peco Art Weeks, the three-week period will feature various work by artists based in Devon and Dorset, plus some demonstrations.

More information is available online at www.peco-uk.com.

Fall in crime, police report

THE number of crimes being committed in the Seaton rural area throughout August has fallen by just over six per cent according to police reports.

Axmouth had only one incident during the month. Sometime overnight on Thursday, August 13th, a vehicle parked in the Chapel Street area of the village was broken into and a satnav system was taken.

Three crimes were committed in Beer. Overnight on Saturday, August 1st, a window was smashed on a car parked in Clapps Lane. On Saturday, August 15th, another vehicle in Clapps Lane had an exhaust damaged.

A 27-year-old man was warned for possession of cannabis after

his vehicle was stopped and searched by officers on the A3052 on Saturday, August 29th.

A spate of incidents occurred in Colyton. Overnight on Saturday, August 1st, a vehicle that had broken down on forestry land on the outskirts of the town was set on fire. A domestic-related assault took place on Wednesday, August 5th.

Enquiries are ongoing after a male was arrested on suspicion of rape on Saturday, August 8th. On Monday, August 10th, a car parked in the Moorfield area of Colyton had its window smashed. Sometime between Sunday, August 16th, and Tuesday, August 18th, a black Muddy Fox mountain bike was stolen from a

property at Moorfield. On Sunday, August 23rd, a 43-year-old man was arrested for drink driving in Market Place. Then on Saturday, August 29th, a 41-year-old woman was arrested in Mounthill for drink-driving.

In Farway, sometime between Sunday, August 23rd, and Tuesday, August 25th, money was stolen from the collection box at St Michael's Church.

A 39-year-old woman was arrested for drink-driving in Southleigh on Friday, August 28th.

Anyone with information about any of the crimes should contact Seaton police on 08452 777 444 or Crimestoppers on 0800 555 111.

Town to be painted orange

SEATON will be a sea of orange today (Tuesday) as a local pressure group prepare to get themselves noticed ahead of the East Devon District Council (EDDC) development management committee meeting.

As has been previously reported in this newspaper, the special meeting has been called as councillors gather to decide on whether Tesco or Sainsbury's is

granted planning permission to build on the regeneration site in the town.

The meeting takes place at the Town Hall at 2pm today and entry has been restricted to 200 people.

Lizzie Bewsher, of Stand up for Seaton, said: "We are going to have a show of orange in support of the Sainsbury's application. People will be invited to wear orange, make an artwork in orange, fly orange flags and balloons or even juggle oranges.

"We feel that EDDC need to be shown how much support there is for the Sainsbury's application as well as hear what we have to say. It seems inconceivable to us that they can simply ignore the public will. It makes a mockery of public consultation.

"Public and expert opinion has been ignored. No wonder they are restricting the number of people (at the planning meeting) to a third of the capacity and are having a police presence."

Taxi scam warning

AN Axminster taxi operator is warning others in the trade about a scam that cost him £450.

Payne's Premier Travel accepted a job to pick up a computer disc in London and deliver it to a store in Dorchester.

The 'customer' got in touch a while later saying the parcel needed to be paid for (£260) in London, but promised to reimburse the taxi driver and throw in a hefty bonus upon delivery in Dorchester.

The driver withdrew the money from his own account and paid for the parcel—only to realise nobody was waiting for him in Dorchester.

Richard Payne said: "Unfortunately we gave the driver's number to the scammer, but we pick up parcels like that all the time. I felt so sorry for the driver."

Including the fare, Mr Payne lost £450. He said: "It is a warning to other taxi firms in this area."

Mr Payne asked fellow taxi operators in the area to think twice if approached in similar circumstances — and call police if they suspect something untoward.

Podiatrist is the up-to-date name for chiropodist, they are exactly the same and in time Podiatrist will be the only term used.

I have practised as a Podiatrist all my working life and therefore I have a wealth of working knowledge & experience behind me. I ran my own , busy private practice in Taunton town centre for many years. I can effectively treat & relieve pain for the vast majority of problematic foot conditions that I see. These might be painful corns, callouses, verrucae, wounds, ingrown toe nails & other skin problems. I can also help with pain associated with deeper foot structures and structural malfunctions of the feet. I supply corrective / supportive insoles where indicated. For most patients these can be "off-the-shelf" , heat mouldable ones costing no more than a pair of shoes which can make a world of difference to your daily activities. They can also have additions to customize them. I also provide foot measuring & shoe fitting advice & a nail cutting service at a reduced rate.

Work begins on affordable town homes

CONSTRUCTION work that will result in 12 affordable homes at Bonners Glen, Axminster, has begun.

In partnership with East Devon District Council (EDDC), Sanctuary Shaftesbury is building eight new flats and four new houses on the site — funded by the Homes and Communities Agency (HCA).

Completion is set for March 2010 and the homes are being built to the Code for Sustainable Homes, in a way that minimises energy usage and makes them environmentally sound and subsequently cost-effective to live in.

All 12 homes will be made available to local people via nominations from EDDC, according to Sanctuary Shaftesbury, which is a member of housing provider Sanctuary Group.

Verena Womersley, Sanctuary's senior development manager, said: "Sanctuary is delighted to be working with EDDC and the HCA on this project, which we are confident will breathe new life into the area as well as help address the need for more affordable housing."

"Developing homes that meet such high ecological standards is important and we are confident that the project will be of great benefit to the local community".

District councillor Jill Elson, EDDC's portfolio holder communities, said: "Affordable housing is one of our key priorities right across the district."

"These new affordable homes will provide a significant benefit to the Axminster community, with the added bonus that they will be environmentally friendly and economical to live in."

A30 to close overnight for resurfacing

PART of the A30 near Honiton is set to close overnight for resurfacing work.

The work will take place at Rawridge Hill and will be on Sunday, September 27th, lasting until Friday, October 9th.

During the week the road will be closed from 9pm until 5am and on Sundays it will be closed from 10pm until 5am. There will be no work on Friday and Saturday nights.

Highways Agency project manager, Sean Walsh, said: "The work will replace a section of carriageway which has reached the end of its life. A new running surface will be laid which will provide a quieter and smoother road surface."

"During the work this section of the A30 will be closed overnight with signed diversions in place. Drivers are advised to allow slightly longer for their journeys."

Residents with properties abutting the A30 and emergency vehicles will be allowed access during the work.

Getting set for the tour

TOUR of Britain is set to hit east Devon on Friday, September 18th and race officials are hoping for a smooth and enjoyable afternoon along the route.

The tour will give Devon residents the chance to watch an internationally renowned cycle race on their doorsteps.

But the size of the spectacle means there will also be complications for members of the public, particularly motorists.

Roads will be closed and police have urged motorists to plan ahead to avoid being blocked off as the race goes through the towns and villages affected.

The cycle racers will be more than 50 miles into stage seven from Hatherleigh to Yeovil when they hit Honiton.

Race officials have an estimated

time of arrival (ETA) at 12.17pm, but, needless to say, this is subject to change for a number of reasons.

The riders will travel down the A373 onto Dowell Street, turn right onto the High Street and race along Exeter Road.

They will then take a sharp left turn onto the A375 Sidmouth road.

The Seaton ETA is 12.52pm, entering along Seaton Down Hill (B3172) and continuing along Harepath Road, Manor Road, the Underfleet and leaving the town along Harbour Road (B3172) heading towards Axminster via Axmouth and Musbury.

Riders are predicted to arrive in Axminster at 1.10pm and swish through from Abbey Gate along the A358, Musbury Road, King Edward Road, West Street, Trinity Square and Chard Street.

The riders will leave the town via the A358 and head towards Somerset.

Rolling road closures will be in effect for the period of the race through the towns.

Axminster police sergeant Peter Trudgeon said affected roads will remain shut until everyone connected with the race is through, including riders and the 100 or so support vehicles.

Shoppers, for example, are asked to plan carefully as supermarket entrances/exits could be blocked off for about an hour.

Spectators are also asked to take care and stay well behind on pavements as the riders will come through at speed and will be leaning when taking corners.

Sergeant Trudgeon said: "Stay well behind and don't try to cross the road."

The A35 at Axminster will remain open but its junctions with Trafalgar Way and Musbury Road will be closed when racers come through the town.

A number of events are planned along the route, one of the biggest being Seaton Festival of Cycling.

The two-day festival is to be staged on September 18th and 19th, with a comprehensive programme including entertainment, competitions, cycling activities, a quiz, a street market and much more.

A full programme is available from various businesses, the tourist information and online at www.SeatonFestivalOfCycling.org.uk.

Predicted road closures: Honiton: 11.50am-12.50pm, Seaton: 12.50pm-1.30pm, Axminster 1pm-1.50pm.

Sudden death not suspicious

POLICE say there are no suspicious circumstances surrounding the death of a woman in Whitford.

Police were called to an address in the village where a woman had been found in the back garden

The call came in at about 1.20pm on Wednesday, September 9th.

Council under further attack over 'repaired' farm building

BY BEN MIDDLETON
ben@tindlenews.co.uk

EAST Devon District Council's (EDDC) decision not to allow a farmer to restore a derelict cottage in Chardstock has come under more fire this week.

Robert Burrough, of Membury, carried out repairs on the ancient Bewley Cottage, which lies on the outskirts of the village, because he was concerned that parts of the building could crumble and injure somebody walking or riding on the nearby public footpath and bridleway. He has said that he does not intend to use the building at all and only wanted to make it safe.

EDDC then told Mr Burrough that he would have to apply for retrospective planning permission and this was subsequently refused. They have since told Mr Burrough that he must restore the cottage to its former condition.

A local architect has now come out

in support of Mr Burrough.

Ron Dobson, of Chesterton Humberts Architects, said: "Having looked at the photograph of Bewley Cottage it is clear that the structure is fragile and parts could be a cause of danger if not adequately restrained."

"I believe that the rebuilding of the single storey rear wall is necessary to tie and stabilise the flank walls and replacement of the old roof will not only assist in stabilising the gables but will protect the structure from further deterioration."

"I believe these works to be repairs and not development and are essential to avoid potential danger to members of the public using the adjoining right of way."

Brian Friend, of Furley, near Membury, wants to challenge the legality of the council's ruling.

Mr Friend says he regularly uses the footpath next to the cottage and he believes the derelict cottage would pose a threat to members of the public walking past the area. He is now

planning to take the matter to the European Court of Appeal.

He said: "Robert doesn't want to use the building, he just wants to make it safe and not have to worry about anybody injuring themselves when they are walking near it."

"I am going to be challenging the planning law."

A spokesman for EDDC added: "The district council's position has been supported by a planning inspector and by the courts."

"Mr Friend's intervention has been rejected by the courts, who ruled that he does not have sufficient interest to challenge our position."

"There was no evidence that, if restored to its original condition, Bewley Cottage would be likely to become a danger to public health."

"If the safety of the public was the reason for this significant rebuilding project, then the same result could have been achieved much more cheaply by demolishing the ruin altogether, or fencing it off."

◆ BIRD ringer Neil Croton with a bird of the great tit species

Countryside festival attracts 500 visitors

THE recent Wetland Festival, aka Wet and Wild Weekend, attracted more than 500 people to Seaton Marshes.

Organised by East Devon District Council's Countryside Service, the aim of the annual event is to show off the wildlife of Seaton and the Axe Estuary.

Events on offer included pond dipping, bird ringing, bat walks and a number of workshops, to mention only a few.

Birdwatchers were able to visit the Black Hole Marsh on two private walks. This new saline lagoon is already attracting plenty

of waders and wildfowl but will not open to the public until all the access paths and hides are in place.

Members of Axe Estuary Nature Reserves Friends gave up their time for free to help EDDC staff with the wide range of activities.

Stephanie Jones, EDDC member champion for Seaton, also helped out at the event and said: "This was a great event attracting local residents and visitors to our town."

"It was nice to see people who came last year and plan on coming again next year — even from as far as Yorkshire. It is such a fun way of educating the next generation."

Doormouse volunteers

DEVON Wildlife Trust (DWT) is inviting volunteers of all ages to take part in a series of events focusing on doormice.

In east Devon events are to be staged in or around Stockland and Colyton.

Nationally dormice numbers are declining but Devon remains a stronghold for the species.

DWT, however, says more information is needed to aid conservation efforts.

DWT's Stephen Hussey explained: "These incredibly cute creatures are also one of the least often seen as they spend most of their lives in hibernation and even in their active months are mainly on the move at night. This means it can be very hard to spot them and monitor their populations."

"One of the best ways to find out if they are present is to look for the signs they leave behind, in this case nibbled nuts. We are hoping lots of people will get involved in the hunt this autumn."

A talk and a walk is being held at Stockland Village Hall on Saturday, September 19th from 10am-noon. More information is available from Jackie Gage on 01392 279244.

A dormouse nut hunt survey and training event is scheduled for Monday, September 21st at Cottshayne Woods, near Colyton, from 10am-3pm, with details from DWT member Christina Bows on 01297 23822.

There will also be a nut hunt in Holyford Woods on Saturday, September 26th, organised by James Chubb of East Devon Countryside Service, with details on 01395 517557. For more about the Great Nut Hunt and to receive a survey pack, call 0207 4984533.

Information is also available under the events section at www.devonwildlifetrust.org.

◆ A VIEW of Helen Brown's garden, above. Right, Helen, from Fenny Bridges, near Honiton, who is bidding to become the BBC Gardener of the Year

Helen needs votes to be top gardener

A WOMAN from Fenny Bridges, near Honiton, is bidding to become the BBC Gardener of the year.

Helen Brown is one of five finalists in this year's competition. She first entered her garden into the competition back in July.

She said: "It was a rainy Sunday and I couldn't do anything in the garden, so I thought I'd take a look at the entry form (for the BBC competition), it was more like a job application."

"Much to my surprise I had a call from the BBC a couple of weeks later saying that I had been shortlisted."

Her garden is described as an 11 and a half acre garden, landscaped with densely stocked long borders and sweeping lawns. It has been designed for year round interest and includes, shrubs, bamboo and mixed borders.

There is also a natural stream that flows along the bottom of the garden.

Viewers of the popular BBC Gardeners' World programme will be able to see Mrs Brown's garden on the show at 6.30pm this Friday (September 18th). Instructions about how to vote for your favourite garden will also be detailed on the show.

The Fenny Bridges garden is regularly opened during the summer and the money raised goes to the Devon Air Ambulance. This year it was also opened for the first time for the National Gardens Scheme, which is also a charity event.

Mrs Brown added: "It's fantastic just to have come even this far, I'm up against some stiff competition, so it would be great to have the local vote behind me."

"I'm always trying to find ways to publicise the garden and raise more money for charity when I open, so this will be an ideal opportunity for people to get a sneak preview of the plantaholic's garden and they can come and visit it in June next year."

Visitor's sky view after a pathway fall

BY ANDERS LARSSON
anders@hindlenews.co.uk

A HOLIDAYMAKER from Surrey got to see Beer and the surrounding area from above following an accident.

The 50-year-old male fell on the coastpath at Hooken, near Beer Head, in the afternoon of Thursday, September 10th.

He sustained a broken and dislocated ankle in the fall plus an added complication.

Beer Coastguard's Terry Hoare explained: "A paramedic had to straighten the man's ankle as the blood flow to the foot had been blocked."

"The Coastguard helicopter was requested to airlift the man as it was not possible to carry him out on a stretcher."

"But due to the location the helicopter had to winch from a height of 300 feet.

"The helicopter could not go any lower as it would have meant going into the valley where there was no wind and that would make it very difficult to control the aircraft."

"When the stretcher, casualty and winchman where lifted they were flown up through the valley just above the tree line for safety, until the aircraft was in a position where it could get to a lower height and then winch the group into the aircraft."

On the same day, two adults used a small inflatable dinghy at Beer Beach just after. A Coastguard spokesperson said: "They were observed to be drifting away out of control."

"Beer Coastguards kept a watch over the dinghy and Sidmouth Lifeboat recovered the couple to the shore."

Two swimmers were also assisted at Jacob's Ladder after getting into difficulties on September 10th.

Befriender group starts

PEOPLE who have lost someone dear to them are being welcomed to a new group in Seaton.

A befriender group starts today — Tuesday, September 15th — in the hall at Seaton Methodist Church.

It takes the form of a coffee morning and will run fortnightly from 10.15am until noon.

A statement circulated by Margaret Cole explained: "The town buses, numbers 391 and 392, stop right by the gate so the coffee morning should be easily accessible for everyone."

"It is believed that a coffee morning aimed at people who have lost someone dear to them — be it spouse, partner, sibling, child or parent — usually through bereavement, but maybe estrangement — will be of value."

"It can be viewed as an ordinary coffee morning, but whereas someone might not go to the usual kind of gathering if it was a difficult day, at the befrienders others will understand and be able to support if necessary."

"The founders of this group don't aim to provide solutions or cures, but will be happy to sit and spend time with others."

"Simply to listen or to share hopes, fears, sadness and joy — or pour out the tea and coffee and hand out the biscuits."

More information about the initiative is available from Margaret on 01297 624321.

Acting chair calls for town's youngsters to have their say

BY BEN MIDDLETON
ben@indlenews.co.uk

THE new acting chairman of the Seaton Conservatives Association is calling on youngsters in the town to make sure they stand up and have their say in next year's general elections.

Muriel Biggs is urging anyone who will be eligible to vote in next year's election not to miss their opportunity to make their voice heard.

She said: "I don't go along with the thought that young people don't know their own mind, of course they do, I don't think you can be too young to vote."

"Young people's votes are as valid as everyone else's."

"Having a vote is a very precious thing and people mustn't waste the opportunity, a general election only comes around every four years."

Miss Biggs is planning a meeting of the association on Saturday, September 19th.

The meeting will take place at the Royal Clarence, Harbour Road, from 7pm.

Miss Biggs added: "The meeting is primarily to restructure the Conservative branch in Seaton. Everybody is welcome, especially those who are leaning towards a Conservative vote."

Festive fun back in style

AXMINSTER'S Festive Friday will return in style after a one-year break.

Plans for the event were revealed this month when Axminster Chamber of Commerce met.

The Rotary Club of Axminster has taken over the running of the event from the chamber, and it was the former's Martin King who briefed the meeting.

Friday, December 11th is the date and the town mayor and the town crier have been roped in for various duties.

Chard Town Band will provide the music and Karizma Majorettes are set to perform.

There will be a Punch and Judy show and, needless to say, Santa Claus will be in attendance.

In addition, there will be a selection of stalls and other attractions.

The majority of Christmas lights in the town will already be switched on, but lights on the church's Christmas tree will be switched on as part of Festive Friday.

In case of really wet weather, a reduced programme will be staged in the church.

£200 for kids

A RECENT street collection in Axminster for Children's Hospice South West raised £202.45.

Barbara King of the the hospice's East Devon Friends Group said: "Thank you all for your generosity."

"Without this support, Children's Hospice South West would not be able to provide the professional care needed for children with life-limiting conditions, and their families, from this area."

Students in search of gold

TWO groups from Colyton Grammar School went to the Brecon Beacons in search of gold.

Members of the two groups are aiming for Gold level as part of The Duke of Edinburgh's Award.

To fulfil one criteria, a demanding expedition was organised.

Group supervisor Anna Cope explained: "They were excellent teams, very supportive to each other and their assessor from the Brecon team was extremely impressed with them.

They walked for four days, camped three nights and climbed up to 886 feet on Pen y Fan, Corn Du, Fan y Big and Cribyn.

"They had a mixture of bright sunshine with excellent visibility and horizontal rain and strong winds.

"One group studied worms as their aim and the other made a video film of group morale throughout the expedition. Most of them will complete their Gold award in the next few months. Congratulations to all of them for completing this demanding

expedition."

Anyone aged between 14 and 24 can join the awards programme "to realise there's more to life than sitting on a sofa watching life pass you by".

Programmes come at three levels — Bronze, Silver and Gold — and each level is achieved by completing a personal four-section programme of activities (five if you're going for Gold).

More information about the awards programme is available online at www.dofe.org.

Spirit remains high for roof team despite raise in target

BY ANDERS LARSSON
anders@tindlenews.co.uk

MEMBERS of a group tasked with raising thousands of pounds are in confident mood despite seeing their target increased.

The Friends of The Minster in Axminster announced early this year that between £55,000 and £60,000 had to be raised in 12 months for roof repairs.

The announcement was made after English Heritage had pledged £185,000 on condition the rest of the required £240,000 was raised locally.

At the time, it was described as a tough challenge - and things haven't got any easier as the local fundraising target has been revised to £79,000.

But Friends of The Minster secretary Ron Le Good is confident the target will be reached.

Indications have been received that English Heritage will take the economic downturn into account and be a little more flexible with its fundraising deadline.

Mr Le Good explained that approximately £14,500 has been raised so far by the friends, but a number of major grant applications have been submitted to various trusts and foundations.

He said: "Yes, we are confident. Most of the money will come from bodies like that [trusts and foundations], but we have to show we are working hard to raise money locally.

A number of fundraising concerts

have been held this year, for example, and a group of African warriors will perform in the church on October 28th in another fundraiser, details to be announced.

New members are also being recruited although January's desire to double the numbers has proved a little too ambitious.

The Friends of The Minster had 182 members in January when a recruitment campaign was launched.

It has been relatively successful and has taken the membership tally through the 200-mark, currently standing at 204.

But there is room for more, and potential members - or donors - can call 01297 32150 for more information and a membership application form.

Jurassic theme to art and craft event

A RECENT arts and craft event held at Seaton Town Hall was well attended according to organisers.

The event was organised by the Arts Group of the Seaton Visitor Centre Trust (SVCT).

Julie Richens, chairman of the

SVCT, said: "It was a lovely community event, with lots of youngsters participating in all types of creative activities linked to the Jurassic Coast.

"Many local artists supported the event. We were especially thrilled that Babette Cole, famous children's

author and illustrator, demonstrated how she creates her stories.

"Our thanks go to all those who worked hard to make the event such a success and particularly to the Seaton WI members who were also creative in their choice of delicious cakes for the refreshments."

KATE ERIN MEW

Life before the internet

THE trouble with descending headlong towards being 30 is that you move into the next bracket of life and how you see it.

This manoeuvre is slow and discreet and then hits you suddenly as if jumping out on you from behind a lampost in the dark.

In fact, I think this begins to happen in your late 20s when you go from being young, fun and carefree to being a bit more sensible and saying things like, "I remember when..."

My Dad says it. He remembers when Wagon Wheels were two feet round (imperial, not metric, you'll note) and when he used to do two paper rounds before school. In the days when everything felt like it was in black and white because he was born not long after the Second World War had ended and there were bombed buildings everywhere still.

He remembers going out to play and his mum saying, "Make sure you're back before dark!", when he was a little boy because it was OK then. That was all before computer games and the Wii.

This "I remember when..." business I have already begun. Mine is, of course, the next generation along. I remember when there were Marathon bars instead of Snickers and when my Mum used to buy the now defunct Today newspaper.

I also remember a time before everyone (except My Lovely Farmer's dad, it seems) had a mobile phone. In fact, I remember when my own Dad — who fancied himself as a bit of a yuppie at the time — had a car phone. It was a huge, great brick of a thing and sat between the front seats of his Range Rover. Not many people had them at that time and my friends thought we were rich. I think.

It seems absurd now not to carry a mobile phone everywhere I go. They are great for safety reasons but the world didn't have them for thousands of years and communication still happened. Personally, I think they should bring back smoke signals.

I also remember when there was no such thing as the internet — believe it or not! Actually, computers did not really feature in my childhood, although we did get an Amstrad which would look like something out of the Dark Ages against today's tiny, colour-filled machines.

We talked to our friends in person or on the phone and people handwrote letters instead of keeping in touch by way of internet social networking sites.

We also went outside and played with actual stuff rather than having a computer or DVD games console to play a game of tennis on!

And, I remember a time when you picked up a newspaper and read it — rather than reading the publication online. As you may have seen throughout our newspapers over the past few weeks, you can now view the *Pulman's View* (for free) and *Pulman's Weekly News* (subscription) on the internet.

Though not necessary and I would much prefer to pick up and hold an actual newspaper, it does have its advantages. If you don't have time to pick one up before they all go, if you are poorly and can't get out of the house or even if you are abroad on holiday — you now don't have to miss out on the weekly local affairs.

It also gives you an opportunity to bring readers late-breaking news on stories which happen in between publications.

You can do various other things via the websites too, including sending me a letter, ordering photos and leaving a comment regarding particular stories, plus we have an online poll on topics which changes regularly.

Your friends and relatives around the country can now read what's going on in your area — they can even read this column.

So, changing times can have its advantages. I wonder what the next generation will remember? My 16-year-old nephew (who has just passed his GCSEs, by the way, well done him) will probably remember a time when there were Woolworths stores.

CARNIVAL organisers were very pleased with everything, from the weather to the amounts raised last Saturday.

Colyton Carnival Committee secretary Caroline Collier said the afternoon market took £4,400 and the street collection £1,700.

Both were slightly down on last year but, with current economic circumstances in mind, Caroline was very pleased.

She said: "The lovely weather helped and the procession went well. I'm very pleased."

She also praised everyone who had helped in various ways to make the event so successful, individuals as well as various organisations.

The latest Technology in footcare 3D optical laser foot scanner
NOW OPEN IN NEW PREMISES IN LYME ROAD, AXMINSTER

An Axminster based clinic's 3D Optical laser Foot scanner and Computer Diagnostic System, some of the most advanced in the world, form part of an innovative service to alleviate foot pain.

Feet can cause us real pain and we may not even know it!

WE ONLY HAVE ONE PAIR OF FEET AND THEY TAKE US EVERYWHERE so it pays to take good care of them. But most of us don't give our feet a second thought ... that is until they hurt! Once our feet are hurting most of us have no idea how to eliminate the pain. Untreated this can lead to long term problems, many problems associated with the foot are the result of a faulty relationship between the bones and the muscles of the foot. Misalignment can result in a number of problems, commonly flat feet, persistent ankle sprains, bunions, corns, calluses, even symptoms that one would not normally associate with feet such as stress and pain in the back, neck, hips and knees.

AT HEALTHY FEET CHIROPODY AND PODIATRY WE PRESCRIBE AND ISSUE THE VERY BEST FOOT ORTHOTICS USING THE MOST TECHNICALLY ADVANCED EQUIPMENT AVAILABLE ANYWHERE IN THE WORLD TODAY. OUR 3D OPTICAL LASER FOOT SCANNER AND COMPUTER DIAGNOSTIC SYSTEM IS JUST ONE INNOVATIVE METHOD WE USE AGAINST FOOT PAIN IN OUR AXMINSTER BASED FOOT CLINIC.

SO WHAT ARE ORTHOTICS?
 Orthotics, are special footwear inserts that are individually designed and manufactured to ease your pain and discomfort. They promote the proper alignment of the feet, restore balance, improve sports performance and alleviate pain in the knee, hip and lower back.

HOW DO ORTHOTICS WORK?
 As your foot sits comfortably on our orthotic it is gently and consistently directed into the optimum position allowing the foot to function correctly when walking, running and standing.

AT HEALTHY FEET CHIROPODY AND PODIATRY OUR PRESCRIPTION ORTHOTICS ARE MADE TO THE HIGHEST STANDARDS AVAILABLE USING MODERN TECHNOLOGY. ARE COMPLETELY ACCURATE AND PROVIDE THE VERY BEST CORRECTIVE TREATMENT AVAILABLE. OUR 3D OPTICAL LASER FOOT SCANNER REPLACES THE NEED FOR TRADITIONAL PLASTER CASTING AND DRAWING AROUND THE FOOT. METHODS STILL IN USE TODAY WHICH ARE MESSY, INACCURATE, COSTLY AND UTILIZING MATERIALS OF LIMITED LIFE, REQUIRING FREQUENT REPLACEMENT.

WE SUCCESSFULLY TREAT MANY FOOT CONDITIONS BUT ONE COMMON FOOT CONDITION WE SEE A LOT OF AT OUR AXMINSTER BASED CLINIC IS PLANTAR FASCITIS. When your first few steps out of bed in the morning cause severe pain in the heel of your foot, you may have plantar fasciitis (fash-ee-EYE-tiss). It's an overuse injury affecting the sole or flexor surface (planter) of the foot. A diagnosis of plantar fasciitis means you have inflamed the tough, fibrous band of tissue (fascia) connecting your heel bone to the base of your toes. You're more likely to get the condition if you're overweight, or if you have a job that requires a lot of walking or standing on hard surfaces. You're also at risk if you walk or run for exercise, especially if you have tight calf muscles that limit how far you can flex your ankles. People with very flat feet or very high arches are also more prone to

plantar fasciitis.
 The condition starts gradually with mild pain at the heel bone often referred to as a stone bruise. You're more likely to feel it after (not during) exercise. The pain classically occurs again after arising from a midday lunch break. If you don't treat plantar fasciitis, it may become a chronic condition. You may not be able to keep up your level of activity and you may also develop symptoms of foot, knee, hip and back problems because of the way plantar fasciitis changes the way you walk.

REMEMBER YOUR FEET ARE THE FOUNDATION FOR YOUR ENTIRE BODY.
 If you suffer from foot pain and/or would like to discuss an assessment please call us at Healthy Feet on **01297 631043** we are here to help YOU!

SEATON TOWN FOOTBALL CLUB

We are 'The Seaside' and play at Colyford Road in Seaton. We run three senior football teams: Seaton Town 1st Team - Devon & Exeter League Division 1, Seaton Town 2nd Team - Devon & Exeter League Division 4 and Seaton Town 3rd Team - Devon & Exeter League Division 9. We are extremely proud of our youth system and run 6 competitive teams.

Seaton Town FC is a great club with a strong footballing history since 1919. Many great people over the years have contributed in making this a great family club.

We have an excellent clubhouse, with three flat screen tv's, showing premier league football.

We have a kitchen and a fully stocked bar keeping supporters and players happy every week.

Chairman's Notes: At Seaton town we are proud to have 3 senior teams, 6 youth teams and Tots. There is a general feeling of optimism in the club this season and hopefully with the new management teams this will lead to promotion for all the senior teams.

Once again the various sponsors have been very generous with their support, both large and small. This will help assist in the club's long term goal of acquiring a second pitch and new improved facilities.

Along side the football aspect of the club we also support 4 darts, 4 skittles and 2 boule teams throughout the year and have a good social calendar, various fundraising events are

run by our fundraisers and the club committee.

1st Team Managers Notes: As I start my first season as the Seaton Town 1st Team Manager, I know that we are facing some exciting challenges. I have been pleased with the level of performance both in training and throughout the pre-season games.

We undoubtedly have a talented group of players, the key to any success will be to 'unleash' some of our precocious youngsters and give them the confidence and freedom to express themselves, whilst ensuring that the more seasoned players really step up to the mark this season and quickly find a level of consistency.

Four of our youngsters: Josh French, Ritchie Durrant, Marcus Wyatt & Joe Byrne have all recently been called up to represent Devon Under 18's for this season. This is a magnificent achievement for the players and the club as normally the county selectors would only consider players playing in a higher league, however during the recent trial sessions the boys performances made it impossible for the County management to overlook them.

A lot of credit must go to all the coaches and Managers that have coached the boys over the years especially those who have coached Josh & Marcus as they have been at the club since eight yrs old.

Ins & Outs

The club have lost some players which played the majority

of last season in the second team: Stephen Grigg, Mark Rooke, Matt Rowson, Jonny Cooper, Matt Hancock to Beer Albion & Kris Reid to Colyton.

Normally a club would struggle to manage with losing 6 players however due to our excellent youth policy we have managed to retain the majority of our hugely successful Under 16's team: Charlie Sweetland, Jack Chapple, Cameron Vere, Luke Morrison, Rikki Sargent, Shaun Gould, Miles Alphonse, Robbie Fellingham, Joe Youens & Ian Ry-lance. With Steven Mills & Adam Kana'ah signing in October when they turn 16. The majority of these players featured in the clubs pre-season games and performed excellently.

Iain Ry-lance, Shaun Gould & Jack Chapple played for the 2nd team in their opening day victory with Shaun scoring in the 2-1 win. Robbie Fellingham, Cameron Vere & Rikki Sargent all played in the 1st teams first game at Halwill, Cameron scoring the 3rd goal in the 1-3 victory.

We have also added additional quality to the club by signing Defender - Kevin Kelly (Feniton Town FC), Striker - Joe Byrne (Exmouth FC), Midfielder - Ben Vine (Torquay Utd Academy / Axminster Town FC), Defender - Ryan Sellick (Honiton Town FC), Goalkeeper - Dan Stapleton (Tiverton Town Under 18's) & Striker - Tom Vincent (Axminster Town FC).

With the current crop of committed players and with the

recent additions all three teams now have strength in depth which in turn should produce better results on the field.

Second Team

Our second team is being managed by the experienced Rob Ede who is well aware of the requirements of Devon & Exeter Football having won numerous back to back promotions with Honiton Town, the reserves have been impressive throughout pre-season games as Rob is getting the players to play the right way (passing to feet and working hard off the ball for each other), like me Rob also has complete belief and trust in the players, they have all showed a good level of commitment, dedication & Loyalty. On the pitch Jamie McCabe will lead the players as captain his experience on and off the field will be vital with the development of some of the younger players.

Third Team

James Henley & Bill Yeoman have taken over the thirds and with over 50 players signed on already at the club, hopefully this season the 3rd team will be spoilt for choice. With James's & Bill's passion the 3rds should have a good year.

We have a great club and great people behind the scenes working hard to take the club forward. Come 3pm It is down to the players to try their best and give 100% for the team(s), the club and themselves, this is all I ask, correction this is what I demand. And if they do this, we can ask no more.

SEATON TOWN FOOTBALL CLUB

Seaton Town history - The beginning

Seaton football club was born on Friday 3rd October 1919. Plain Seaton at first, it became Athletic in 1945, the Town arriving in 1952 to mark the club's entry into senior football in the Exeter & District League.

The birth took place at the Royal Clarence hotel at a meeting of the Old Comrades association, presided over by Mr WH Bartlett. The meeting heard a proposal from Mr WG. White that an Association Football club be formed, Joe Collins seconded.

It was intended that the club should be for Seaton's ex-servicemen (the Old comrades) but it was soon realised that it would be sensible to open the club to anyone.

At a second meeting a week later LH.Forte said "Men had got used to playing soccer rather than rugby in the war, soccer being more in vogue in the Navy and

Army". He then announced that Jack Salter had collected just over ten pounds in subs and that subscriptions had been agreed at three guineas (three pounds and fifteen pence) for patrons, a lot of money for those days. Vice-presidents would pay 10/6d (55p), a member five shillings (25p) and a playing member 2.6d (12 1/2p).

Colonel Evens Lombe accepted an invitation to be the embryonic club's first President. But Sir WJ.Trevelyan was always mentioned as patron in 1919 and in all probability acted as such for the first two or three years of the club's existence.

WG.'Bill' White was chairman, MrHL.Forte treasurer and Jack Salter secretary.

A few weeks into the season Fred Buckett, a Beer man who was also an outstanding goalkeeper, replaced Salter. He played in all Seaton's twenty-two

cup and league games in the inaugural season but returned to his native village the following year when they joined the Perry Street and District League.

Seaton's first game, appropriately enough in view of the rivalry that would exist between the two clubs down the years, was a friendly at home to Beer who won 4-2, another friendly away to Lyme Regis was lost 4-1.

Seaton made a late application in October 1919 to join the Perry Street & District League and such was the casual manner in which the league's affairs were run at that time they were accepted in time to play their first league game at Axminster on 2nd December 1919. The home side won 2-1 Seaton beginning their league history with an official complaint about being 'kept waiting in the bitter cold for the home team to arrive'.

Player quotes:

"We are a young experienced side with high ambitions and the drive and determination to match any side in Devon" - 1st team captain Oliver Morgan

"In Josh Stunell we trust, Always Believe, Green Army!!" - Ben Ede

"After a good pre-season, a new manager (Big Rob Ede) some new players and some great ideas there is a real confidence that we will be back up the leagues, also congratulations to Perham who is the captain of our ship" - Charlie Clarke and Jacob Hayes

Seaton Town Football Club wish to thank all of their sponsors, members and supporters, it is very much appreciated by all.

Grasshopper in pink makes experts think

EXPERTS say that finding a pink grasshopper on Seaton Marshes was a great surprise.

The discovery was made during an event called Minibeasts on the Marshes on Saturday, August 29th.

Staff and volunteers from East Devon District Council's Countryside team worked with Seaton Visitor Centre Arts Group and Windrush Willow to provide a string of activities.

Daniel Tate, who came to the event with his grandfather, said: "I was looking for grasshoppers when I saw something pink."

"I thought it was a flower but I saw it moving, so I tried to catch it."

"It jumped and I then knew it was a grasshopper."

"I was really excited to hear that no one else had found a pink grasshopper at that place before."

An EDDC spokesperson said: "The insect had everyone perplexed as nothing like it had been seen in the area before."

"Bright pink on the grasslands of Seaton Marshes is not a great survival strategy but this one was an adult, so it was doing well."

"Fraser Rush, nature reserves officer, later identified it from the photo as the Common Green Grasshopper (*Omocestus viridulus*), which sometimes occurs in pink and purple colour variations."

EDDC member champion for Seaton, councillor Stephanie Jones, approached EDDC about organising the event.

She said: "I can't thank the countryside team enough for all their support at this event."

"They gave up their Bank Holiday Saturday so that over 100 people, mainly children, could learn more about the marshes and have fun at the same time."

Watching the birds in Corfu

FROM sun to sun! Just over a week ago I was soaking up low 30 temperatures, translucent seas and blue skies in Corfu, but not looking forward to a return to the drab, grey wet days which have marked so much of August.

However, I've found myself enjoying the traditional Indian summer of clear golden days, but with a slight nip in the air.

It is good to see some bird life again, for Corfu, in the north-east region, seemed almost bereft of anything other than the occasional gull, a few swifts and the odd sparrow.

A blazing hot summer has burnt up all vegetation and, as I expected, butterflies were scarce, though I did see one scarce swallowtail and a wood white.

Here, back home, the few flowers left on the buddleia are still attracting painted ladies, red admirals and tortoiseshells and one can only hope that the last two, soon to hibernate, will see a return to their former numbers next year.

On the bird front there have been several rare visitors to the Axe estuary area, including an ortolan bunting which was briefly spotted on Beer Head and an Alpine swift over Colyford marsh. Pleasing, too, to know that a wryneck was seen, also on Beer Head, whilst in Dorset, at West Bexington, an extreme rarity, a first year male bluethroat was caught while netting was taking place for ringing purposes.

The first osprey was also spotted on the Axe estuary on August 26, doubtless the precursor of several more of these fish-hawks as they migrate south.

Meanwhile, on the news front I hear that a scheme to collect and recycle discarded and old fishing line has been adopted from Christchurch to West Bay. Seaclean bins, the brainchild of Dorset Wildlife Trust's Julie Hatcher, are being placed at top angling spots along the coast in order to collect any old fishing lines which, if left, might otherwise injure and even kill wildlife. Fishing line is a major hazard to all types of marine life, ranging from crabs to sharks, while seagulls are frequently found tangled in discarded or broken lines. However, it is up to the public and anglers in particular to gather up lines and dump them in the bins. A worthy idea and let's hope it works.

Do you want to know more about invertebrates... bugs, beetles, crickets and grasshoppers? Well, on Saturday, September 19th a workshop entitled Introduction to Meadow Invertebrates is going to be held between 10am and 1pm at Lorton Meadows Reserve Visitor Centre. This is sited at Lorton Lane, Upwey, Weymouth and the workshop costs £20.

The session will be led by Sam Dallimore, Senior People and Wildlife Officer at Dorset Wildlife Trust and, as he explains, an invertebrate is any animal without a backbone, creatures such as bees, butterflies and grasshoppers, all of which do an important job maintaining the ecosystem of meadows. The course will introduce just some of the many invertebrates found in Lorton meadows and explain how beginners can identify them. To book a place call 01305 264620 or email info@dorsetwildlife.co.uk.

A reader from Seaton, Mrs Pavey, tells me that she recently found a dead long-eared bat. Not so extraordinary except that both the animal's wings were missing! Can any reader offer an explanation?

This is a real puzzle, for it seems extremely unlikely that a predator, even if it had managed to kill a flying bat, or discover it dead, would want to remove the wings. Answers on a postcard, please!

Household hint: To test eggs for freshness, place the egg in a bowl of water. A fresh egg will lie on the bottom, a stale egg turns upright and a really bad 'un floats.

Village named top in county

HEMYOCK has been declared Calor Devon Village of the Year 2009 and will now progress to the regional finals of the competition which takes place on Tuesday, October 6th.

The village fought off stiff competition from around the county to take the title.

Judges highlighted the vibrant life of the village and the many associations and activities which were on offer to all ages.

Heather Stallard, chairman of Hemyock Parish Council, said that she was thrilled with the result and that the village truly deserved it.

Pulman's *View from the churches*

THIS week starts with news of the new Methodist Minister for Axminster. Reverend Linda Chester began her appointment in the Seaton and Bridport Methodist Circuit on September 1st.

Rev Linda is based at Seaton and has responsibility for the Methodist Churches at Seaton, Axminster, Colyton and Dalwood. She has previously had church appointments in Cornwall, London and Dorset. Her first service at Axminster Methodist Church will be the Harvest Festival at 10.30am Sunday, September 20th to which all are warmly invited.

The subject of climate change was the special focus of the Axminster Churches Together Meeting held this week on Monday, September 14th at Axminster Fellowship Chapel in Musbury Road.

The area also welcomes the Reverend Simon d'Albertanson as the new Minister of Seaton Baptist Church having been inducted there on September 5th.

Last week saw the Anglican Clergy of the Honiton Deanery meeting at Colyton under its Rural Dean, Prebendary Sue Roberts. Their meeting started in church with a service of Holy Communion and afterwards they were addressed by a visiting speaker.

The local communities of east Devon are right in the middle of carnival season when funds are raised for local causes and projects, and in many cases, special services of Songs of Praise feature. For many churches this time also coincides with harvest festival services. Still to come are Branscombe and Colyton on September 20th, Colyton on September 27th and Musbury and

Southeigh on October 4th.

St Michael's Church at Colyton is having a further special occasion with Goose Fayre Service on Sunday, September 27th at 6.30pm.

Churches of the Colyton Benefice are taking the opportunity of the harvest services to welcome people back to church. A special invitation and welcome to return to church at these services is intended for those who used to attend, to come back on this day and make it very special.

It has been estimated that across the Church of England up to 16,000 churches will be participating in this year's services, and in places will be joining congregations from the Salvation Army, churches in Wales, Scotland, and local congregations from the baptist, methodist and united reformed churches.

Many churches feel that by concentrating on their welcome on this particular Sunday, they may be able to consider how they can make their church services more accessible all the year round. Local churches and their regular congregations play a significant role in the common life of local communities. The ministry of welcome is something in which everyone can participate. Resources do exist and one title is a manual and DVD by the name of Everybody Welcome, which is available at bookshops.

Just to demonstrate the range of concerns of the churches, another date is Sunday, October 4th this year, which is being observed as Animal Welfare Sunday — this year's theme being Not Forgotten by God — Animals as Part of God's Community. Enquiries may be made at 01252843093 or www.aswa.org.uk.

News of more resources, this time

a new revision of the New International Version (NIV) of the Bible — the first since 1984 — has been announced for publication in 2011 by Biblica, which was formerly the International Bible Society. Hodder and Stoughton are the publishers of this new edition.

Time now for news from Exeter Cathedral the Mother Church of the Diocese, First of its music. This month marks the final year as organist of Paul Morgan who will later clock up 41 years of service at the cathedral. This year also marks the 10th anniversary as Director of Music of Andrew Millington. And to make the trio, Stephen Tanner, Assistant Organist and Director of the Girls' Choir, celebrates his 50th birthday with a special concert in aid of the Cathedral Millennium Fund. Apart from music there is a farewell this month to Canon Mark Rylands who is leaving to become the next Bishop of Shrewsbury, one of the Suffragans in Lichfield Diocese. He will be greatly missed at Exeter Cathedral and across the Diocese. He is to be consecrated Bishop in Westminster Abbey on October 28th, and installed in Shrewsbury Abbey on November 2nd. His farewell at Exeter Cathedral is at Evensong on Monday, September 28th at 5.30pm, which will be linked with good wishes to his wife, Prebendary Mandy Rylands, who is Director of Ordinands and Women's Ministry in Exeter Diocese. Any further details can be obtained from 01392 255573.

Firefighters vow to clean up whilst giving safety advice

BY ANDERS LARSSON
anders@tindlenews.co.uk

COLYTON-BASED firefighters will combine car washing and fire awareness on Saturday, September 19th.

The Fire Fighters' Charity is staging its National Car Wash Day, and Colyton firefighters will play their part.

They will equip themselves with hoses, buckets and sponges at Colyton Fire Station from 9am to

1pm.

Members of the public are invited to have their cars washed in exchange for a donation and learn more about potential dangers of fire which can occur in the home.

All money raised will go to The Fire Fighters' Charity, the official organisation helping injured firefighters and their families.

Firefighter Tracy Bigwood explained: "Despite our best efforts, we have seen first hand how fire can destroy lives and devastate

communities.

"By learning more about safety around the home, lives can be saved."

"The other reason is to raise essential funds for The Fire Fighters' Charity."

The charity receives no government funding and relies entirely from beneficiary and public donations.

By stopping to have your car washed on September 19th, you will not only help raise greatly needed funds for the charity — but also educate your family about fire safety.

Exeter School

A selective co-educational day school from seven to eighteen, Exeter School is a vibrant, happy and lively place to be. About 180 pupils attend the Junior School (Years 3 – 6) and 670 the Senior School (Years 7 – 13), sharing many of the extensive facilities on the 25-acre site.

Whilst the range of academic subjects available at Exeter School is impressive, there are also around 30 clubs available – from classics to chapel radio, debating to dance – there is something for everyone. The school is especially proud of its excellent record in the field of artistic endeavour and a number of major productions are staged throughout the year.

The site is well equipped with a range of first class sports facilities and there are activities to

suit all tastes. In addition to the large playing fields it has its own astroturf arena, heated outdoor swimming pool, sports hall, fitness suite, dance studio and all weather courts. Older pupils can join the school's own Combined Cadet Force as well as taking part in outdoor pursuits such as the Ten Tors Challenge and the Duke of Edinburgh Award Scheme.

The school has an excellent record of academic success. In the Summer 2009 A Level exams, pupils achieved 100% pass rate for the sixth successive year and 85.1.% of grades were A or B. At GCSE, 66.8% of pupils achieved A or A* grades with 46 candidates scoring 8 or more A/A* grades.

To be ready for next season on the water, we must be due for the best summer ever, why not brush up on the essential skills that will, not only add to your pleasure and achievement, but maximise your own safety and those around you.

The Axe Yacht Club in Axmouth Harbour has for many years been a Royal Yachting Association centre for shore-based training and their dedicated soundproofed classroom, with its digital presentation system, enjoys the all-important considerations of comfort, space, light and climate control.

The 2009 /2010 prospectus includes the Day Skipper and Coastal Skipper /Yachtmaster winter evening courses, together with a developing range of one day marine courses to begin in the spring. These will include: RYA Basic Navigation & Safety, Diesel Engine Maintenance, Marine VHF and First Aid at Sea.

We are fortunate to have Mr David Crees, a long term member and former Commodore of the AYC, as our Training Director and Sandra Walker, an accomplished dinghy sailor, as our training coordinator. She can be contacted on 01297 20866 or by e-mail: avc.courses@btinternet.com Additionally, course details are regularly updated on the "training" page within our website – www.axeyachtclub.co.uk. We look forward to welcoming you and helping you to achieve the qualifications you require.

Colyton Grammar School

Colyton Grammar School has a national reputation for excellence and is consistently amongst the leading schools in England. It is one of the few in the country to have received four successive 'outstanding judgements' in Ofsted Inspections.

This co-educational school offers an intimate and supportive community in which students are known individually. Ofsted judged that 'the school has a culture of the highest possible achievement and that this fosters the excellent attitude towards learning.'

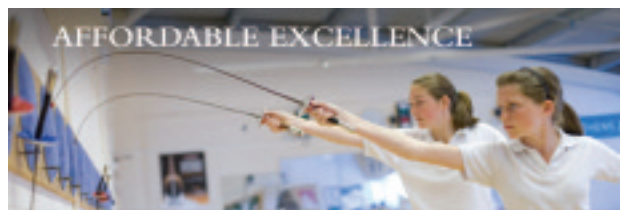

Students take their GCSE examinations at the end of Year 10 and then spend three years in the Sixth Form working on a rich and broad programme toward A levels and the English Baccalaureate qualification.

There is a wide extra-curricular programme including sport, music, drama,

out-door education and a range of cultural activities.

The school serves students from East Devon, South Somerset and West Dorset and there is transport from all areas to the

School. Entrance is by 11+ Test. For further details email: admin@colytongrammar.devon.sch.uk, website www.colytongrammar.devon.sch.uk or telephone 01297 552327.

Wellington School

Why choose Wellington School? Is it because of its consistently good academic results? Or perhaps is it its highly acclaimed reputation for music and theatre, sport and outdoor activities? Or maybe the realistic fees that offer true value for money or the extensive school bus routes throughout Devon and Somerset (including Honiton) that make getting to and from so easy? Or is it, as so many prospective parents say, the welcoming atmosphere they feel on first entering the School and the evident enthusiasm for learning seen in every classroom?

The ethos of Wellington School is simple; that each and every pupil should be helped and encouraged to develop his or her own particular talents to the full. Traditional

values of hard work, good behaviour and unpretentious manners are held in high esteem, complemented by the total commitment of the staff to the individual needs, personal welfare and happiness of every single pupil.

If you can spare an hour or so on Saturday 26 September, why not pop along with your family for

an informal look at the school with plenty of hands-on activities for your children? Both the Junior School and the Senior School will be open for visitors between 9.30am and 12noon and we would welcome the opportunity to show you why we are so proud of our school and our pupils.

St. Wilfrid's School

St Wilfrid's is a thriving and dynamic family run school where the children feel valued, happy and secure. It has an outstanding reputation for exceptional pastoral care and its aim is to provide a stimulating environment in which all pupils achieve a positive self-image by experiencing success, accepting responsibility and by recognising and respecting the needs of others. Small class sizes ensure high academic success while equipping the children with the necessary life skills vital for their future development.

"A highly successful school that achieves its aims – standards of behaviour are outstanding" is how Ofsted Inspectors rated the school. Parents reported that there was no bullying and they were overwhelmingly pleased with the schools' provisions. "The school is particularly good at ensuring pupils gain high grades in a wide range of subjects, which represents excellent achievement."

"Lessons are challenging and provide the opportunity to develop skills with which to assess, surmount the challenges and evaluate progress. Lessons are carefully planned and taught with panache by teachers who are confident and experts in their subjects."

Where St Wilfrid's leads others will try to follow.

"I've only just joined this brilliant school, it rocks!"

Losing sight of importance

EDITOR — I think Richard David is far too vitriolic in his condemnation of the Christadelphians' Bible Exhibition in Seaton in a letter to the paper.

Although as Christians we do not agree with some of the teachings of the Christadelphians, particularly concerning the divinity of Christ, I think we should defend their right to present their case in a reasoned manner and engage in respectful dialogue.

In fact, I thought the bible exhibition in many ways was very impressive, and I enjoyed a number of interesting conversations with them during the week seeking to build understanding.

It is a shame that the Christian churches aren't doing more to deepen an understanding of God's word in British society, but too often lose sight of the importance of upholding the integrity of scripture in order to maintain loving Christian values.

Underwhelmed by lack of compassion and tolerance

EDITOR — Despite his being a confirmed C of E Christian, I am underwhelmed by Richard David's lack of compassion and tolerance for the Christadelphians' Bible Exhibition.

As far as I am aware, this church, of which I am *not* a member, did not hijack the various town halls around east Devon but booked them in the normal way as they are entitled to do. As a non-denominational Christian it is part of our witness to spread the

word and tell people of our beliefs. Contrary to Mr David, in these troubled social and economic times it seems most appropriate to attempt to spread the joy of your faith, whatever it is!

It is the Gideons who leave bibles in hotel bedrooms and it is the Jehovah's Witnesses who knock on people's doors, but never, in my experience moronically.

As to the debate, Darwin versus God, in a free and democratic society,

I can see no objection to the continuing discussion on this matter. Indeed it is, I feel, vital for us to attempt to reconcile the dichotomy between what science tells us are facts and what our hearts and faiths make us believe. Creationism and intelligent design are intellectually lazy, but we have still much to learn from science, but the resolution of this question is fundamental to mankind's salvation. It will take much time and effort but is an essential

journey we need to start now.

Rather than get spenetic about it may I suggest in future Mr David walks by on the other side!

If public had been consulted from the beginning as they should, we would now all be working together

EDITOR — Small minority of people? Oh, Mrs Semple, how out of touch with the electorate you are.

I read the letters in my local papers regarding the decision to buy Willoughby House and it was the manner of your reply which galvanised me and some friends into action.

What did the people of Seaton think about this major decision with so many implications, not least the

possible loss of the town hall?

We stood in the town square for seven hours over two Saturday mornings and, quite literally, were swamped by eager residents wanting to have their say.

No politics, no persuasion, but 98 per cent reaction was overwhelmingly opposed to the council offices being removed from the town centre and, in particular, the town hall.

We were repeatedly thanked for

giving people an opportunity to log their view which, it seems, you have no interest in hearing.

The public meeting on August 25th would have been a marvellous opportunity for you to present your case.

The meeting was conducted professionally and courteously but, mysteriously, you and your fellow councillors didn't think it relevant to attend!

At no time have we, the people of Seaton, engaged in petty mud-slinging and I am ashamed that the chairman of our town council resorts to this sort of behaviour. If the public had been consulted from the beginning as, surely, is the town council's responsibility, we would now all be working together for the common good.

'Wonderful' hospital care

EDITOR — Having recently spent 10 days in Wonford Hospital on Yarty Ward I would like, through your letters column, to express my thanks for the wonderful care and kindness shown to me during my stay.

From the tea ladies, ambulance crew, porters, nurses, doctors and many others, too many to mention, they were all wonderful.

Often we hear of the failures of the NHS both in the press and on TV, never a good report, always detrimental and negative. Please print this letter and give them some positive well-earned praise, everyone at Wonford deserves a medal.

I would like to mention the excellent medical centre at St Thomas Court, Axminster. We are so fortunate to have such a centre of excellence. Do we realise how lucky we are?

Last but not least my GP who, I am sure, went far beyond his call of duty, before, during and after my visit in Wonford.

A big thank you to you all, you were all wonderful.

Recent letter saddened me

EDITOR — I was saddened to read the letter by a "confirmed C of E Christian" condemning the Christadelphians for spending their precious time and hard-earned money showing an excellent exhibition and history of the bible which has revealed to the world the great love and mercy of our creator God and judge of all men's hearts.

That wonderful book has freed slaves, transformed lives and changed whole communities bringing guidance for happy healthy living, dignity, decency and selfless caring for others. That book is the foundation of our just laws, universities, schools, hospitals and every decent activity in our lovely land. What a book.

Christ, God's only Son our Saviour, Lord and King of Kings, Jesus did not ask us to hide Him inside church or other buildings and selfishly keep Him locked in our persons but to become so filled with His resurrection. We must overflow with His love and beauty, mercy and joy and share the good news that He came to die for with all the hurting, unhappy, unloved, bruised and broken-hearted people without hope or purpose in this world who are hungry and thirsty to be told He is their bread and water of life longing to forgive and fill them with overflowing joy, love, light and glory now and forever.

His early disciples proclaimed Jesus everywhere even if they were jailed and killed doing it. How, therefore, can we be so ashamed of Him we keep him selfishly, secretly confined through fear from our poor world getting darker and wilder and violent and uglier by the day, when as Alpha and Omega He is the first and last answer to every problem if we would only ask the Father in Jesus' name.

Supposed to be civilised!

EDITOR — A public meeting where personal insults and vendettas were aired. Hassling of the vendor's family.

Anonymous phone calls and physical threats to the mayor.

A trail of people verbally abusing town council staff. What next? A horse's head in the bed?

This is supposed to be a civilized country.

Seaton, take a look at your behaviour. What sort of example is this to our young people?

And, by the way, as someone who works in the telecoms industry, I know that no phone call is anonymous even if the caller's number is withheld.

The police can easily find out who made the call from the telecoms company involved. I hope they do.

Delighted to have a voice

EDITOR — What a great surprise to find my 'Sea Fever' poem had won Star Letter of the week!

I know I write a decent letter but hadn't assumed that my cheeky poem would even be published. It just goes to show. I was delighted to have a wee voice on a subject close to my heart.

The £10 vouchers were a surprise too. I hadn't noticed that nice little 'carrot' before. Many thanks.

She was elected to fight for town

EDITOR — So Tesco is the preferred option of the planning officers? I looked back to the SU4S election campaign leaflets and read the words, "Sandra has extensive experience of working with bureaucrats and is known for her forthright approach to problem solving".

Have you forgotten why she was elected? To fight for Seaton.

What the ill-informed and shortsighted see as arrogance, is the terrier-like tenacity of someone who puts everything she has into a good cause, including her reputation.

This council has spent many hundreds of hours researching, consulting with experts, and even travelling abroad at their own expense, to try and fight not only the might of Tesco, but a very selective, self-interested EDDC. Sidmouth took the cream, now Honiton has the benefit of leader Sara Randall Johnson, who is covering her own back.

Seaton Town Council has a wealth of knowledge, and even more at their disposal.

Willoughby House was not to be glorified offices for them, but plans for the house, garden, everything

involved, could have been something Seaton would be proud of.

Fact finding and research has to be done before anything, the planning application was part of that process.

My daughter Sophie has done a massive amount of research over the past 18 months for the town hall, with a view to transforming it into an arts and community centre.

There is funding available from many sources, and with the council room available, the chance for a beautiful foyer.

The fact that Willoughby House has been snapped up immediately should show why speed was imperative, let us hope that it will not be demolished. Here was the chance to have both.

EDDC have shown that they cannot be trusted to look after our interests, they are *not* transparent. Yet those who showed the courage to fight, and to try and bring something special to Seaton have been pilloried and threatened with flour bombs! What mentality is that?

Cowardly, malicious and childish. Remember the word bully at the town hall on September 15th.

Wrong to pass blame

EDITOR — In reply to your front page article with regard to Willoughby House and respecting the feelings of May Clapp and her family.

Mrs Semple has no right whatsoever to attempt to pass the blame for the withdrawal of the Willoughby House purchase on certain townsfolk who attended the very responsible meeting that took place in Seaton Town Hall on August 25th.

Unlike one or two of her colleagues on the council who were publicly thanked for attending what was always going to be a difficult occasion, she herself, as far as I was aware and for whatever the reasons did not grace us with her presence and therefore makes her assumptions second hand, not the best way of making a considered appreciation of what actually took place.

Whatever the merits or otherwise that were attached to the purchase of Willoughby House the blame for the debacle that has ensued must rest squarely upon the mayor in particular and the council in general.

They must have known that the purchase of this property was always going to be a 'hot potato' and their

'closed door' and intransigent stance only made it more so.

There is some truth when Mrs Semple suggests that consultation can indeed be an unrewarding process but in this case the wider implications of a move from the town hall demanded a much more conciliatory approach and without any interaction whatsoever all the people of the town could use was their eyes and what they saw was a building in a very poor state of repair to be purchased when all the financial arrangements were in place for a very large sum of money, a scenario that good leadership would have foreseen and circumvented in advance.

May I add as a footnote that at the meeting when the application for change of use was being discussed, once again, I along with many others was appalled by the lack of manners and protocol displayed by the Planning Committee, perhaps unwittingly by some, but not in the case of others, instead of dictatorially trying to pass the blame, some kind of apology would have been more advantageous.

Easy to throw mud

EDITOR — As a Seaton resident, I am deeply disappointed by the way in which the town council has been vilified, both by your publication and at a public meeting — in each case when the council could not defend itself.

Just how divorced you are from the affairs of the town can be judged by your awarding Star Letter status to Les Kinch's letter of September 8th.

Anyone not familiar with Mr Kinch and his record in Seaton should look at www.notbornyesterday.org/slog, in particular the entry for July 22nd 2009.

I have no direct experience of the events there described, but I wonder that Mr Kinch allows them to stand unchallenged. I wonder also if your publication is the one mentioned there to such disadvantage.

Another well-known citizen appearing to excess in your pages is Tony Hill — usually to throw the worst possible light on someone else's efforts for the community. Glen Salter is another example of these negative nellys.

It is a very easy thing to throw mud at people working for others while doing nothing constructive yourself.

Town councillors give up many hours of their time for no reward

other than the public good, whereas the negative nellys don't even come to the meetings.

Furthermore, your journal must bear some responsibility for giving the nellys a platform while denying it to the group they attack. The press is a mighty engine, but all engines must be balanced.

Leave the nellys alone for a bit and give more attention to the positive people, such as Ruta Kreivyte.

EDITOR'S COMMENT: Pulman's View prides itself on its service to the public by being fair and balanced. Its staff report without commercial or political bias under all circumstances as readers of this newspaper will know. Your Views and Letters is a platform for anyone wishing to comment and we try to publish all letters as long as they are not libelous. We can only print what we are given and that may mean there are more negative letters about Seaton than positive ones. Police take on triathlon

A CHARITY triathlon is set to take place this Saturday morning.

The event will involve police officers from across east Devon and will set off at 8am from Seaton Yacht Club.

A one mile swim will be followed by a nine mile run and a 40 mile bike ride.

After the event a hog roast, raffle and auction will take place, from the yacht club, at 6pm.

All money raised will go towards the Starlight Childrens Foundation. The charity raises money for seriously ill children.

Harvest for community

HARVEST supper will be served in Chardstock Community Hall on Friday, September 25th.

Tickets cost £5 per adult and £3 for children under 12 and are available from Chardstock post office and stores.

The event begins at 7.30pm and the organisers say everyone is welcome.

For more information contact 01460 220516, evenings only.

Art on show

A NEW exhibition is set to open at the Thelma Hulbert Gallery, Dowell Street, Honiton.

Zoe Hyde and Dawn Dupree are described as contemporary artists.

The exhibition began on Saturday, September 5th, and runs until Saturday, October 24th.

The gallery is open from Wednesday to Saturdays from 10am until 4pm.

Friday the 13th lucky for twins who celebrate 80th

BY ANDERS LARSSON
anders@hindlenews.co.uk

FRIDAY the 13th was not a bad day at all for twin brothers Dennis and Alan Moss.

They were actually born in Northleigh on Friday, September 13th in 1929 — and their friends and families gathered at Peace Memorial Hall in Colyton 80 years later to celebrate their birthdays.

They both attended Northleigh

School until the age of 14 when Alan started work as a carpenter, employed by his father, and Dennis started work as an apprentice at S J Soanes Garage in Colyton.

National Service followed in October 1950, both being based at Catterick, then Fleet and finally Thetford.

Dennis' daughter Sally Seward said: "After completing their National Service they both returned to their previous employment.

"Alan subsequently joined the Post

Office where he worked as a postman in the local area for 35 years."

Dennis took over S J Soanes in 1972 until 1982 when he started his own garage business at Hamfields, Colyton, until he retired in 1995.

Dennis married Iris Turner in 1953 and they have two daughters, Sally and Jill and two grandchildren, Laura and Simon.

Alan married Jean Mitchell in 1960 and they also have two children, Chris and Jackie, and four grandchildren, Tash, Sam, Emma and Zoe.

Bell ringing has played a large part in the lives of both brothers, particularly in the case of Dennis.

Sally explained: "Alan and Dennis both started church bell ringing at the age of eight, which Dennis has continued with and is now the captain of the Colyton Bell Ringers.

"Dennis still rides his 1955 Matchless 350 motorbike and can frequently be seen driving his green Ford 300E Thames van around the local area."

Coach trip to cathedral

COLYTON WI has organised a coach trip to Salisbury Cathedral.

The trip will take place on Wednesday, October 21st, and tickets cost £9.50.

The coach will be leaving Colyton at 9.30am and will be returning from Salisbury at 4pm.

A spokesman for Colyton WI said: "This is a change from our usual trip to Bath.

"Salisbury has good shopping, a lovely cathedral and close, National Trust property and a market place."

For more information and to book a seat, contact 01297 553440.

Bin on fire

IN the early hours of Thursday, September 10th, a bin was set on fire at the rear of the Costcutter's store in Queen Street, Seaton.

Police in the town are on the lookout for anyone who may have witnessed the bin being set alight or anyone with information about the incident. Contact Seaton police on 08452 777 444 quoting crime number KN/09/541.

First meeting

THE first winter meeting of the Chardstock Horticultural Society takes place on Wednesday, September 16th.

Due to the amateur dramatic society rehearsal the venue this month is the new primary school, not the Community Hall.

The event begins at 8pm and visitors will be made welcome — entry for visitors is 50p. Refreshments will be available.

Much more to be positive about in the property market

THE market is finally showing signs of improvement and I feel that autumn 2009 will be an important indicator.

I actually enjoy reading the broadsheets again now and indeed The Times last week reported that mortgage approvals were 76.7 per cent higher in July 2009 than July 2008.

The value of outstanding loans and overdrafts at high street banks fell by £303m in July, the biggest drop since records began in 1995 and house prices in the US - a key factor in dragging the world into recession, showed the first real signs of life for three years.

Our telephones have been singing happily for an extended period of time now and buyers are regaining confidence.

Although reports from the Nationwide and Halifax show the average price for property rose again in July for the second consecutive month, I don't believe we are seeing a real change in headline price here in East Devon. What we at Millstock are seeing though, is a significant narrowing between asking and offer prices, which is a good thing - especially after the ridiculous 'bargain hunting' offers that came in at the beginning of this year.

So while we are not yet out of recession and maintain a requirement for

by Craig Bernhardt

some caution, there is certainly much more to be positive about for our property market which has given me time to ponder on other areas, such as the quality of service we provide to our customers.

Call me old fashioned but I have always favoured taking advice and working with those who can demonstrate that they have a comprehensive understanding of their product.

As a director in two companies I take training and development very seriously, especially when offering a service to the public. Unfortunately though, the Estate & Lettings industry is unlike any other I have worked in. Although available, there are no mandatory qualification requirements.

From a simple 'mystery shopping' exercise I conducted a few weeks ago, I

found that 82 per cent of all agents I spoke with had no formal qualification in their current job. Yet their office proudly displayed the NAEA or ARLA logo. Why is this? Quite simply, because they can. The rules of these associations are that if a director or principal of the member firm holds the qualification, then they can display the logo with unqualified staff running the day to day operations.

Would you go to an unqualified accountant for tax advice? Place your finances in the hands of an unqualified IFA? Have your hair cut by an untrained hairdresser or go on holiday knowing that an 'L' plate pilot had control of the flight deck? I think probably not and that is why, as a small, family run firm, Millstock is adamant about one thing:

If you want to work with our customers then you have to pass the exams.

I qualified in residential sales and Sarah in residential lettings and we expect the same of our staff, so we provide their study material and exam entries and they have to put in the work and qualify within their first year of employment with us.

So with market conditions beginning to improve and property priced attractively for investment, you may now be considering selling your home or to begin/extend your portfolio as a landlord.

If so, Millstock would be only too happy and qualified to help!

Former chapel in glorious setting

SYMONDS and Sampson are offering for sale a unique former chapel situated in the favoured Marshwood Vale area. The property has been considerably enlarged and updated in recent years to provide a really comfortable home which includes three bedrooms, two bathrooms, sitting room, dining room, well fitted kitchen with Aga and utility room. The interior is well appointed throughout and has a oil system of central heating.

The grounds are a particular feature amounting to about half and acre and consisting of areas of lawn together with a rich variety of shrubs and borders together with a pond and vegetable area. Within the grounds there are two garden sheds and a greenhouse plus a garage at the top of the drive and plenty of further parking space. The property enjoys views from many rooms across a wide area of countryside and from some angles one can glimpse the sea beyond Charmouth.

The property has a realistic price guide of £375,000 and to view this desirable rural retreat contact Symonds and Sampson on 01297 33122 or visit the website www.symondsandsampson.co.uk

Stone built cottage with beautiful views

AN attractive detached period cottage located at the heart of Southleigh occupying a good size garden in an Area of Outstanding Natural Beauty.

Constructed principally of stone with some colour washed rendered elevations, the property was originally two cottages and part was used formerly as the village Post Office. It has been thoughtfully extended and improved over the years and now offers versatile, spacious and flexible accommodation which would now benefit from a little further updating and improvement. The accommodation has a wealth of period detail including exposed beams, lintels, stained skirtings and architraves, cottage style latched doors throughout and a fine inglenook fireplace in the living room.

The accommodation includes on the first floor four bedrooms, master en suite shower, family bathroom. On the ground floor living room with inglenook fireplace and wood burning stove, study, large dining room, kitchen with oil fired Rayburn, cloakroom and utility area. The gardens and grounds are principally on two sides of the property and there is a double garage. Oil fired central heating to radiators throughout.

The asking price for this attractive home is £395,000. To arrange a viewing please contact John Wood & Co on 01297 553691 or view it on our website www.johnwood.co.uk

MARKET UPDATE

So, how is the housing market fairing?

This page gives just a small indication of the answer. It has been the busiest summer for a very long time! There has been a high demand for quality property and a shortage of supply, which has seen many sales agreed.

If you are thinking of selling, there is a very good chance of selling quickly in the current market, as long as your price is right. There is still a great demand from buyers and we are running out of suitable stock. Buyers are mainly looking for homes that are interesting in some way and especially those with large gardens, as there is a strong trend for home grown produce these days. Lyme Regis (as always) is in great demand. Period property is always in demand, especially if you have parking! We also have regular requests for farmhouses with acreage (generally up to about 10 acres).

Please can you help us?

We urgently need more property to sell to waiting buyers. We are looking for property in East Devon & West Dorset and would love to hear from you if you are considering selling or would just like some advice.

THE SOUTH WESTERN GAME AND COUNTRY FAIR ATTRACTS TOP CHEFS AND WORLD CHAMPIONS FROM COUNTRY SPORTS

THE South Western Game & Country Fair being held at beautiful Powderham Castle – September 26th & 27th 2009 – has attracted top regional chefs, regional fine foods and champions from country sports. The theme is 'A taste of the Country'. With angling – falconry – gun dogs – clay pigeon shooting – archery – Gundog multi scurries (each for experts and beginners alike), Food Glorious Food, Craft Village and Trade stands. The all day action packed arena entertainment has a great line up this year – attractions include scurry driving and 'Out of Africa' falconry displays, fun with the mounted games teams, 'Chase the Bunny', Side Saddle and much more besides. And there are endless opportunities to try, buy and sample everything country. The South Western Fair is the largest regional event of its type so visitors from all over the south west can expect an exceptional day out.

The event has special themed villages, Falconry, Craft and Food. In the falconry village, many of the world's rarest Birds of Prey are on display, over 80 with their handlers – come together in a unique falconry village. The falconry village has its own dedicated arena where displays will go on all day long. The best in British craftsmanship is on display in the craft village with everything to enjoy from traditional chair making and beekeeping to barrel making and pottery workshops. Many of the arts and crafts on display will be available to buy.

The new 'Food Glorious Food' arena and country kitchen offers visitors the chance to taste and buy many different types of local and regional specialist foods. A 'taste of the

West' has its own fine foods marquee where locally prepared meats, wine and cheeses appear alongside some mouth watering freshly cooked fare. The country kitchen theatre has all day cookery demonstrations by top regional chefs using Game (sponsored by game-to-eat and Falcon Ranges) and fresh local produce. The best local restaurants from the area are involved and their chefs will be on stage preparing some of their own favourite dishes.

Organisers Living Heritage has included lots for the children to do. Amusements, puppet shows, face painting and the opportunity to learn how to fish with the Angling Trust, fly a hawk in the falconry village or handle a Gundog in the Gundog clinic. Last but not least is your dog. Don't leave him at home!

There is Lurcher & Terrier Showing, Racing & Gundog Scurries for the Countryman, and for the family pet the fun dog show or Chase the Bunny.

With over 150 specialist country shopping stalls as well as the themed village stalls to browse and superb food to eat – all day – a trip to the South Western Game and Country Fair will entertain families and experts alike.

Visit www.livingheritagecountryshows.co.uk to find out more. Tickets are £8 for adults, Oap's £7 and children £4.

The Deadwood stage is coming to Seaton!

THAT ever popular musical "Calamity Jane" is this year's production from Testudo Musical Players to be staged at Seaton Town Hall in a couple of weeks time,

Train Up For Transition at Monkton Wyld Court. Practical Courses for 2009-10

The vision is for Monkton Wyld Court to become an exemplar of intelligent adaptation to the world's environmental, social and economic changes, where a diverse range of people can come to learn and share practical skills in sustainable living.

SPIRALLING INTO DIVERSITY

September 11 & 18 - Two Linked Days FREE!

For this GreenPrints event we will be creating a pond and biodiversity garden area to enhance our Wyldside walk. This is a wonderful small-scale technique that allows us to create a wide range of microclimates, and so a haven of biodiversity. The pond uses an indestructible waste product to create a rain-fed, multi-layered, aquatic system - home to marginal, floating, shallow-water and deep-water plants as well as frogs, newts, toads and other pond life. The spoil from the hole dug for the pond is used to create a mirroring mound that offers a variety of plant habitats ranging from hot and dry to moist and shady.

GARDEN WORK WEEK

September 13 - 18 (Sun - Fri) - £50 fully residential

Spend a week working alongside Monkton gardeners in our organically-managed Victorian walled kitchen garden and grounds. Develop your skills and enjoy delicious vegetarian meals prepared using the harvest! Arrive Sunday evening for supper 6pm, leave after lunch Friday.

WILD FOOD IN AUTUMN

September 11 - 13. £195 residential, £135 non-residential with Clio Wondrausch

Experience, Learn, Gather, Prepare and Feast Foraging from Countryside, Garden and Coast. Autumn's offerings are rich in beauty, and in nourishing and healing powers to help us through the winter. Learn to gather, preserve and prepare delicious nutritious meals, and which plants to give a respectful distance.

INTRODUCTION TO PERMACULTURE DESIGN: SKILLS FOR SUSTAINABILITY WITH GEORGE SOBOLO

September 18 - 20 2009 (Fri - Sun)

£195.00 residential [£133.00 concessions]

£130.00 non-residential [£68.00 concessions]

Permaculture is a practical design system for sustainable living. It stresses working with nature and helps you identify steps for positive change for yourself, your family and your community. It is ethical, creative and inspiring and gives a blueprint for our survival and the repair of this degraded planet.

MONKTON WYLD COURT OPEN DAY

Sunday, September 27th

Everyone is invited to celebrate the unveiling of Monkton's new Wyld Walk. The Walk, a nature trail around Monkton's grounds funded by the SITA Trust through the GreenPrints Programme, has been designed to allow visitors to explore and enjoy our diverse natural habitats. Stalls, delicious food. Find out more about who we are and what we do! We look forward to seeing you on the day.

CREATIVE COPPICING 1 AND 2

October 14 - 15 (Wed - Thurs) & November 11 - 12 2009

(Wed - Thurs) FREE!

These two GreenPrints events will give participants the experience of regenerating some existing hazel coppice by returning to coppice stools, planting some new mixed ash, oak and hazel coppice, and creating a new willow coppice, below our reedbed system. This will be used to grow materials for willow weaving and drawing-charcoal production. As well as being productive, the areas of coppice will increase the biodiversity of our site.

HOW TO SET UP A LOW IMPACT SMALLHOLDING WITH JYOTI FERNANDES AND SIMON FAIRLIE

October 16 - 18 (Fri - Sun). £195 residential £130 non-residential

This course is designed to introduce people interested in starting their own low impact land based projects. Jyoti and Simon have both been involved in setting up low impact smallholdings (Fivepenny Farm and Tinkers Bubble) and have many years experience in helping projects gain planning permission. The course looks at the possibilities for living on the land in your own self-built eco-home, what kinds of enterprises to consider, writing a land management and business plan, how to find land, how to apply for planning permission, and how to survive those exhilarating and exhausting first months.

DOWSING - AN INTRODUCTION AND OVERVIEW WITH ALAN NEAL

November 6 - 8 2009. £195 residential £130 non-residential

Dowsing is a many-faceted art and encompasses a variety of different areas, each one a specialist subject in itself. In this "overall view", once the basics have been mastered, students will be given as wide a perspective as possible of the subject as a whole so that they are fully aware of its many applications. Areas touched on will include the detection of dowsable energies other than water (including leys, fault lines and lines of geopathic stress), map dowsing, archaeological dowsing, and dowsing in connection with healing.

The course will include as much practical work as possible.

BOOKING IS ESSENTIAL FOR ALL COURSES

If you live outside the area we can offer bed and breakfast accommodation.

You can book on any of these courses online by going to www.monktonwyldcourt.co.uk or by telephoning 01297 560342. For more information you can also contact us by email info@monktonwyldcourt.org

World première of Peppa Pig's Party live on stage in Exeter

EXETER Northcott hosts a world première this month when children's TV favourite Peppa Pig comes to the stage for the first time.

Peppa, her family and friends are brought to life as puppets in Peppa Pig's Party, an exciting family production from the producers of LazyTown Live! and Roald Dahl's The BFG.

Peppa is a playful little pig who lives with her brother George, Mummy Pig and Daddy Pig. Through everyday adventures she plays games, makes new friends and enjoys her favourite activity - jumping up and down in muddy puddles.

Peppa Pig's Party is a chance for all Peppa's young friends to join in the fun at her birthday party. This charming, original and imaginative show is full of brand new songs, muddy puddles, and oinks.

The characters have been created by one of the UK's most experienced puppet consultants Nigel Plaskitt (Monkey and Al in the current PG Tips commercials and Spitting Image) and built by Paul Jomain (Bambaloo, The Jim Henson Company). The music is by LazyTown composer Mani Svavarsson, whose songs are well known to children and parents. Director Richard Lewis (who has also adapted Peppa Pig for stage) has directed many children's stage shows, including Fimbles and the two LazyTown Live! tours (2007 - 2008 and 2009).

The show runs from Wednesday, September 30th to Sunday, October 4th.

THE Kingfisher, Colyton is an ideal place to enjoy a drink and sample some delicious home cooked food.

The charming circa 16th century pub offers a delightful warm and welcoming bar creating that cosy atmosphere.

There's a wide range of choices on the menu with something to suit everyone's taste.

The menu offers a selection of starters and light bites. For the main course there is plenty to choose from including vegetarian, steaks, pasta and fish dishes. The home made dishes in particular are a speciality and with a regularly changing specials board full of delicious home cooked meals, are spoilt for choice.

There is a wide selection of wines to compliment the menu, with something to suit your pallet, and a choice of four real ales from the best local brewers are rotated for variety. In fact the Kingfisher Inn has featured in the CAMRA Good Beer Guide for the past two years.

The pub serves home cooked food everyday of the week including Sunday lunch. Not only does the pub offer a menu full of delicious meals pub, landlords Nick and Sally Bunkall, who have been at the inn for the past four and half years, organise regular events throughout the year.

To find out about upcoming events or to make a reservation, call (01297) 552476

THE WHEELWRIGHT INN

IT'S as neat as a new pin, less rambling and more elegant than most pubs. With walls in warm colours, wooden floors and old beams with open log fire it's utterly relaxing. People come from far and wide to eat the food served up here by Head Chef Damon Ralph and his sidekick Sous Chef Gary Brookes and their team of five chefs.

As much as possible is sourced locally, fish from Beer and Brixham, crab from Lyme Bay, Devon beef, and of course cheeses. Dishes such as scallops and tiger prawns on curried butternut squash, crab cakes with lime chilli and mango salsa, fillet of sea bass on noodles with Asian dressing, venison, roasted shallot, plum and tarragon casserole, slow-roasted belly pork on bubble and squeak with ginger

beer sauce. Lamb shank with rosemary and redcurrant ... to name but a few. It's great to see British chefs making so much of local food on their doorstep.

The Wheelwright is open 9am for breakfast, food is served all day through till 9.30pm. Open 9am till 11.30pm, 7 days a week.

Motor finance market improves despite limited impact of car scrappage scheme

MOTOR finance business volumes remain lower than last year, but the rate of contraction recorded in July is the smallest this year, according to the latest figures released today by the Finance & Leasing Association (FLA). The FLA says that the improvement in new business volumes compared with earlier this year is most likely the result of competition in the motor finance sector. The Government's car scrappage scheme appears to have had limited impact on dealer-financed sales of cars.

Although the cost of wholesale funding remains high, lenders are competing to offer good credit deals in the showrooms.

The number of new cars bought by consumers via dealer finance fell by 4% in July compared with the same month a year earlier. The number of used cars bought by consumers using dealer finance fell by 7% over the same period. FLA members provided finance for over 408,500 new cars bought by consumers in the past 12 months, which was down 20% compared with the previous 12 months.

The business new car finance market showed a low level of growth – up 5% in July compared with the same time last year. But over the past 12 months, this market was down by 23% on the previous year.

Commenting on the figures,

Geraldine Kilkelly, Head of Research and Chief Economist at the FLA, said:

"The slight improvement in motor finance volumes in July may in part reflect the impact of the car scrappage scheme. But there is no evidence that scrappage accounted for more than a small number of finance deals on mostly smaller cars.

"Motor finance companies still need a long-term and sustainable market for affordable wholesale funds. Otherwise, with or without the scrappage scheme incentive, it will be difficult for the industry to continue to offer good motor finance deals in response to rising demand."

MOTERING VIEW

The new BMW X5 xDrive35d 10-Year Edition

BMW is to offer a special edition of its popular X5 to mark the range's 10-year production milestone.

The BMW xDrive35d 10-Year Edition comes as standard in Sophisto Grey metallic paint with unique 20-inch Y-spoke light alloy wheels, Matt Aluminium exterior trim, Matt Aluminium roof rails, Panoramic glass sunroof and Comfort Access. Inside, and Comfort seats, Anthracite headlining, Carrara Shades Nappa leather upholstery and BMW Individual Piano Black trim are just some of the product highlights. '10-Year' plaques are fitted to the front doors, front door sill plates and on the dashboard to underscore the merit of the vehicle.

First shown at the North American International Auto Show in 1999, the BMW X5 was an instant hit both in the UK and globally. It was subsequently refreshed in 2003 with the introduction of the xDrive four wheel-drive system along with engine upgrades and subtle styling changes. An all-new model appeared in 2007 growing in size to reflect market trends and accommodate the new option of Third-row Seating. The X line-up has since been joined by the X6 and will receive a further boost later this year with the launch of the all-new BMW X1.

Since it was introduced to the UK in 2000, BMW has sold 62,872 X5s*, with diesel-powered versions being the most popular models, now accounting for approximately 95 per cent of sales. M Sport is the most popular specification with circa 80 per cent sales compared to SE.

Only 2,000 of the 286hp BMW X5 xDrive35d 10-Year Edition models will be sold worldwide with approximately 10 per cent of production destined for the UK. This latest X5 is

on sale now priced from £53,075 OTR.

BMW has also taken the September numberplate introduction to upgrade the optional equipment list of the X5 and X6. Both models are now available with the latest hard disc based BMW Professional Multimedia Navigation system featuring shortcut and Favourite buttons, and the nine-channel amplifier with 825W and 16-speaker configuration BMW Individual audio system

BOWLS ROUND-UP

Close, but no County Champions at Honiton

SEATON with Dave Ford

CONGRATULATIONS Joan Miles. Having won her first Seaton Championship title on the 30th August, she has now progressed to the Devon Quarter-finals of the Champion of Champions Competition.

To achieve this she had to first win the Section final, which she did by beating the Feniton and Hemyock Champions, and in the Final Sue Evans, one of Honiton's star players.

Joan had the worse possible start against Sue, finding herself 8-0 down after just a few ends, but she rallied strongly, and found herself 19-18 up sometime later. Sue was holding the three shots she needed on the next end, when Joan trailed the jack through to one of her back woods to hold two, which Sue could not beat with her last wood, 21-18 the final score. The finals will be held at the Francis Drake BC on Friday, September 18th.

On Sunday, September 6th a good days bowling was assured, when the Quarter-finalists of both the ladies and gents Seaton Championship Competitions competed for the President's Cup.

Each round was played over one hour or 21 shots, which ever came first. After some excellent matches, Les Tooze, going for his second successive victory in this event, played Don Yaxley in the final.

Les got away to a cracking start, going 10-3 up very quickly, and although Don narrowed the gap to 13-10, had no answer to Les' finishing burst, as he finished a worthy winner.

The next day men with a handicap of five or over, played for the George Fossett Trophy. With the same format as the President's Cup, it was the experienced Brian Kenning who reached the final to play against Jeremy Allison, a player who has been bowling for two years.

Brian gave him a lesson in the art of drawing, running out a comfortable winner. Unfortunately Vi Fossett was unable to present the winner with the trophy due to poor health.

The over 60s completed this year's fixtures with a victory over Morchard Bishop, winning on both rinks 49-18. Top rink was Mike Follenfant, Peter Greenwood and Roger Woolland 29-5.

Results of friendlies over the last two weeks:

27th August: Four mixed rinks away to Uffculme. Seaton won 71-67. Top rink was Smiler Jenkin, Gwynydd Brazendale, Dave Ford and Ron Rowley 26-8.

28th August: Six mixed rinks at home to the Wootton-under-Edge Tour. Seaton won 126-105. Top rink was Gerald Knott, Hazel Smith, Ted Talbot and Sue Rutter 24-14.

31st August: Carnival Charity Drive in aid of the Carnival Fund which supports various local organisations. The members were joined by five visitors, all those taking part enjoying a fun afternoon of bowling.

The winner of the drive was Shirley Parkhouse with an amazing plus 41 score, the highest winning score anyone can remember.

After the match a cheque for £143 was presented to Roger

Woolland, President of the Carnival Fund. The club was grateful to the Carnival Queen and her entourage for their assistance in the drawing of the winning raffle tickets.

1st September: Four mixed rinks away to South Petherton. Seaton lost 57-80. Top rink was Betty Powell, James Derbyshire, Angie Mayhew and Keith Miles 21-14.

3rd September: Six mixed rinks away to Bridport. Seaton won 112-110. Top rink was Anne Wright, Malcolm Carvell, Hazel Smith and John Wright 24-15.

4th September: Seven mens rinks at home to The Avon and Somerset Constabulary Tourists. Seaton lost 116-158. Top rink was F. Brown, J. Allison, R. Benfield and Don Yaxley 27-12.

5th September: Six mixed rinks at home to the Gloucester City BC Tourists. Seaton lost 73-125. Top rink was Olive Blunden, Sue Banwell-Moore, John Wright and Bob Rutter 19-10.

A sad note to finish on. between 40-50 Seaton members attended Jimmy Carter's funeral at the Exeter Crematorium to say a final goodbye.

Jim was a past President and Captain of Seaton Bowls Club, and those members who were privileged to know him, will remember him as a good competitive bowler with a wicked sense of humour, a man who was never afraid to speak his mind, but somebody who was always ready to help anyone with a problem, or in need of a favour.

CHARDSTOCK

SINCE the last club report the ladies have continued their great season winning against Crewkerne, Bridport, Ilminster and Sidmouth with no matches lost.

A representative ladies team of B. Sluman, M. Sturley, D. Emery and J. Piper recently took part in the annual Perham Cup competition at Seaton, and finished third of twelve teams.

On Tuesday the 8th September a visit to Hemyock resulted in defeat by 39-52 shots, but this was remedied by a fine win at South Petherton on 11th September by 63-32 shots.

In the mixed matches there was victory against Ottery St. Mary and defeat to Queen Camel. For the men, two wins against Lyme Regis and Crewkerne, were balanced with defeat to Ilminster and Madeira (Exmouth).

On Sunday 6th September a members round robin three Triples competition of 18 ends was played for the Silver Jubilee Cup.

The winners were J. Piper, P. Bowden and A. Davy. Runners up were B. Albon, M. Sturley and N. Denslow. Thanks were extended to Mike Rogers (Club Competition Secretary) for organising the event.

Summer weather returned for the home five rink mixed match on Wednesday 9th September against Honiton. Playing under blue skies and in warm sunshine Chardstock won convincingly on three rinks, by one shot on another, and losing by four shots on the remaining rink, and winning the match by 103 -71 shots.

Chardstock: (Skips only) M. Toms won 19-10, B. Sluman won 14-13, S. Jeffery lost 19-23, N. Denslow won 26-12 and J. Rolph won 25-13.

A 4 rink mixed match away to Hemyock on Saturday 13th September resulted in a 96 to 56 win for Chardstock, with victory on two rinks and the remainder drawn.

Chardstock (Skips only): A. Day won 33-6, B. Sluman drew 18-18, N. Denslow drew 19-19 and S. Jeffery won 26-13.

On Sunday 14th September, a mixed team visited Cullompton for a three rink and one triples match. Sadly, Chardstock lost on three of the four rinks and overall by two shots, 66-68.

Chardstock: (Skips only) P. Compton lost 16-18, B. Sluman lost 9-18, N. Denslow lost 17-21 and M. Rogers won 24-11.

On Tuesday a Feniton mixed team visited Madeira and lost by 67-86, the winning rink was F. Brooks, R. Clarke and L. Eveleigh 21-12.

On Wednesday, Feniton entertained a mixed team from Cullompton. In a close and exciting game Cullompton ran out winners by 59-66. The winning rinks for Feniton were G. Blackmore, J. Dibble, T. Young and L. Eveleigh 20-14 and E. Cox, E. Goodenough, J. Smith and R. Smith 15-10.

Tiverton (Park) were the visitors on Thursday, Feniton were comfortable winners by 106-88. The winning rinks were L. Crook, F. Jones, G. North and R. Smith 25-10, P. Usher, A. Coyne, G. Skinner and R. North 18-11 and E. Cox, J. Mitchell, L. Ley and L. Eveleigh 30-21.

Friday saw the start of the Club's annual tour, this year to Eastbourne.

On Sunday, captain Les Ley and his wife Sonya organised an excellent Bowls Brunch which was much appreciated by all who attended. The associated three wood pairs competition was won by J. Dibble and M. Eveleigh with J. Skinner and R. Clarke runners-up.

HONITON with Tony Broughton

I AM sorry to say that there will be no County Champions at Honiton this season.

Trevor Pipe our last hope came out second best in the over 60s Singles Championship.

The rest of the club was on tour to Oxford so Trevor had to travel to Braintree with his sturdy band of two supporters. He did not start well in the morning's semi-final, when his Hemyock opponent took a 8-1 lead it looked black but then Trevor shortened the jack length and his opponent could not adapt and Trevor only conceded one more shot on the way to victory.

The afternoon final against England's former National Over 55's Singles Champion, John Kelly, started in a similar pattern with Trevor struggling to find consistency. Finally he produced some of his best bowls to reduce the deficit to 9-11 but unfortunately there was no repeat of the mornings comeback and John playing the better bowls came out a deserved winner. Once again though a brilliant effort to reach the final of a major county competition.

On the Club's four day Tour in Oxfordshire, captain, Tony Broughton kept the 30 plus players and supporters entertained with some family stories and in all it proved a very enjoyable few days.

On Monday they travelled to the hotel at Whitney, then

moved to the first match against the South Oxford Bowling Club, this, Honiton lost by 20 shots a trait that seems to be prevalent over the last few weeks. Tuesday we were at Abingdon and did win but only by one shot.

The weather broke up at 18 ends with thunder and lightning followed by torrential rain that flooded the green in a few minutes.

Wednesday we visited a green and facilities at Charlbury that was built solely by the members, including laying the green. The result is one of the most impressive Clubhouses I have seen and one of the best greens I have ever played on. Just shows what can be done when people pull together, but we still lost.

Thursday was a repeat performance, this time a defeat at Oxford City & County Ground. Then just to keep things in the same frame we were defeated on the way home at the North Wiltshire Club, Chippenham. Sounds a bit of a disaster but in fact I do not think there is one amongst us that did not enjoy the experience, next year we hope to go to the Isle of Wight. John Ritchie, the Tour organiser deserves a special thanks for all his efforts, well done John, a great tour.

This week we have had five friendly matches, Monday six rinks against the Wyrall Park Bowls Club from Glastonbury that was lost by nine shots. Our top rink was Alan Nex, Arthur Dimond, Ken Morfeý and Michael Dart at 21-16.

Tuesday six triples went away to Budleigh that was again lost, after a recount, by just two shots our top triple was David Mitchell, Ron Taylor and Dulcie Broughton at 21-10.

Wednesday five rinks away to Chardstock, another loss, this time the only winning rink was Carol Pidgeon, Maureen Willcocks, Roger Willcocks and Tony Broughton at 23-19.

Thursday four rinks went to Uffculme and at last a good win of 100-57. Our top rink was Maureen Willcocks, Arthur Dimond, Ken Clarke and Peter Baker at 30-19.

Saturday we had a Welsh Touring side from the Whitland Bowling Club. Another good win at 119-95 and only one losing rink. The top rink was Jean Mitchell, Clive James, Paul Crockett and Shirley Hiscocks at 30-11.

The over 60s League season has now finished and in terms of selection a good result for the three Honiton teams. Previous season these have been selected equably. The result was three teams in Division three.

This season our competitive selectors have picked the teams with a proviso that all members in each squad get the same number of games. The result one team going up to Division Two, one staying put and one going down to Division Four. I think the exercise has worked, well done.

As secretary of this League I think it fair to say that it has become the most popular men's bowls league in Devon, with seven Divisions of ten teams. I currently have four more teams waiting to join. As soon as there is six we can start division eight.

GOLF ROUND-UP

Sun shines on Axe Cliff ladies

AXE CLIFF with Helen Gaudie

THE ladies were delighted as they were able to hold their open on Friday in lovely weather, no rain last year was a wash out.

The overall winners were a team from Vivary Park, Jeannette Jones, Caren Potter and Sheila Grant with 80 points.

As usual Wells ladies always send a few teams and this paid off as they won the visitors trophy. The ladies were; Marian Boyed, Jill Boquet and Jill Cogan, second went to Yvonne Wisbroom, Alison Leatt and Julie Jones from Mendip Springs with 79 points, third prize went to Mrs Ford, Mrs Boucher and Mrs Cafferkey from Came Down with 77 winning on the back nine ruling from Helen Gaudie (Axe Cliff), Joyce Henderson (Royal Mid-Surrey) and Julia Collins (Lyme Regis) also with 77 getting fourth prize.

The front nine was won by Penny

Sweetland (Axe Cliff), Michelle Bowers and Elsie Jellyman with 42 points and back nine was won by Chris Pearce, Brenda Hyde and Rosemary Greenhorn Honiton with 39 points, nearest the pin was Julia Collins and longest drive on the 13th Jane Gould.

The lady Captain and helpers put on a great day for all the competitors. The ladies played their September medal with Axe Cliff Three and Freddie Newbery putting competition number one.

The winner of the medal with 74 nett was Liz Wheelod (25) and second was Sandra Walker (14) with a nett 81.

HONITON with Brian Young LADIES Section

THE final of the Singles Knock-out Match, the Duncan Trophy has taken place between Linda North and Jane Watts with

Linda the winner.

The September Stableford and MacMillan Spoon competition was played on 2nd and 5th September. Winning the MacMillan Spoon and the Silver Division was Lady Captain Sue Selway with 38 pts reducing her handicap yet again. 2nd with 35 pts was Sue Ritchie.

Bronze Division One winner - Jane Cross 37 pts. 2nd Val Daniels 35 pts.

Bronze Division 2 winner - Jean Moon 33 pts. 2nd Avril Shepherd 30 pts.

This Wednesday the section played a Yellow Ball Competition playing in threes, two best scores to count doubling pts when in possession of the yellow ball. How that ball seems to affect swing, judgement to green and putting is amazing.

The winning team with 103 pts were Joan Smith, Brenda Hyde and Betty Weedon. 2nd with 100 pts were Andrea

Squire, Jan Dickinson and Susan Hyde.

Mens Competitions

SATURDAY'S Club match was a needle match against Bigbury.

With 20 players per side the stakes were high, but I can report the Honiton Secretary was very pleased to announce an 8-2 victory over his previous club, thus avenging last years defeat.

Sunday saw a Stableford competition with early finishers changing quickly and going on another famous 'Max's Mystery Charabanc Trip'.

The standard of golf was as good as ever with Jason Gosling's back nine beating Mike Williams in Division One, but taking the spoils with a fabulous 40 points was Richard Townsend from Division Two.

He now relishes the challenge of playing from his new handicap of 18.

HONITON HOCKEY

Seven-A-side Tournament with Ann Reed

A VERY hectic and hot day for last weekend's hockey excursion to Exeter University's hockey pitch, where the various teams played a sevens tournament using half the pitch, so two matches were going on simultaneously. Generally this worked well, but on occasions players were not too sure if a whistle related to their game or the one alongside!

Honiton found themselves under pressure in all matches losing against the eventual winner: Ashmore, and two other teams; but drawing the final match.

Nine goals were scored against Honiton although once again Sue Stone (having returned home early from holiday in Cornwall to 'keep goal' - as did another player, Dawn Mayo) had an excellent game so the score against could well have been higher. And Honiton scored 5 goals: Becky Bond and Vanessa Trude each scored two goals, with captain, Amy Phillips scoring one.

Player of the Match: Sophie George

Practices continue with ECWH at Cullompton Sports Centre on Tuesday evenings. Training takes place between 8:00pm - 9:30pm, with transport being arranged from Dowell Street Car Park at 7:30pm. If you would like to come along please turn up at the meeting point.

We extend a warm welcome to all players regardless of current skills.

AXMINSTER PRINTING SUMMER CRIBBAGE LEAGUE PRESENTATION AWARDS NIGHT

AXMINSTER Printing Summer Cribbage League's annual trophy presentation was held on Monday, August 24th at Axe Vale Social Club and saw League winners Zany's and runners-up Conservative Club awarded their trophies.

The awards list also included; Wooden Spoon - Lamb Inn; Beer League Winner, New Inn Kilminster A; Beer League runners-up

- Zany's; Knock-Out Shield Winners - Swans; Knock-Out Shield runners-up - New Inn Kilminster C; Pulman's Losers Cup Winners - Lamb Inn; Pulman's Losers runners-up New Inn Kilminster C; Singles Winner - Phil Davey; Singles runner-up - Harold Haws; Pairs Winners - Steve Gould and Eric Collier; Pairs runners-up Martin Leach and Robin Mitchell.

Money for worthy causes was also raised in various ways, and £218 was given to Devon Air Ambulance, £90 to the Axminster Hospital Cup, £40 to Axminster Care Service, £40 to the senior centre and £40 to a charity to be chosen by Lamb Inn.

MATCH REPORT:

Seaton Town Reserves 2 Bampton 2

SLUGGISH Seaton made hard work of a first-half in which they failed to put two passes together.

Their complete lack of ball retention enabled the visitors to score two well deserved goals. Seaton continued to struggle against a well organised Bampton side and the home management team could not wait for the half-time break.

The second-half saw the introduction of highly rated 16-year-old Miles Alphonse and another talented 16-year-old Tom Vincent. The duos impact was immediate with Alphonse netting within the first 10 minutes only to see his effort ruled offside.

It was only a matter of time until Seaton scored as Vincent and Alphonse were causing the now not-so-organized visitors all kinds of problems.

Seaton were fully aware that they had to score first in order to keep the game alive, and they did with Alphonse toe poking a shot home inside the six yard box that trickled under the away goal keeper.

Seaton continued to press, and the introduction of Ben Ede in the 75th minute proved a masterstroke as Ede picked the ball up 25 yards out and rifled the ball home for the equalizer.

The Seasiders continued to press and only the post late on prevented Seaton from gaining all three points.

Man Of the Match Ryan Turner.

Perry Street League

With HOWARD LARCOMBE DEVON INTERMEDIATE CUP ROUND ONE

UPLYME and Farway United progressed through to round two with wins over Ottery St Mary Reserves and Dawlish United 3rds respectively, but Millwey Rise, semi-finalists last season, perished at Alphington.

Uplyme had little difficulty in disposing of the Otters, although the killer second goal did come in bizarre fashion when the Swallows' keeper Lloyd Cleal scored direct with a huge kick that deceived his opposite number Matt Bull.

Earlier Ritchie Durrant, who normally turns out for Seaton Town in Division One of the Devon & Exeter League gave the hosts a half-time lead.

In addition to Cleal the second-half scorers were Greg Matthews and Durrant who

went on to score twice more to complete a hat-trick.

Farway United were given a much tougher time against a very youthful Dawlish side that impressed Farway boss Andy Bailey, he said: "We were very poor today, probably our worst performance so far, including pre-season. But the young Dawlish lads played so really good football at times - it was good to watch."

Ben Williams gave the visitors a fourth minute lead which was cancelled out just before the interval.

The turning point in the match came just after the restart when Farway keeper pulled off a superb point-blank reaction save that Bailey described as: "Brilliant".

The winner came in the 87th minute when Williams turned provider with a pinpoint cross for Simon Lane to head home.

Millwey were forced to field a weakened side at Alphington due to the early departure time and slipped quietly out of the competition with only consolation goals from Peter Hoare and Matt Hall to show from their 6-2 defeat.

PREMIER

NEW boys Charmouth's baptism of fire continued as they were hammered 6-0 at home by South Petherton. "It should have been 16 not six" said Pethy manager Karl Diment who had to be content with goals from Paul Holt (3), Rich Hebditch (2) and a first-half Rob Stubbins header. Charmouth meanwhile, who only trailed 2-0 at the break, are still seeking their first goal of the season.

Lyme Regis edged home 4-3 against bogey-team Combe Reserves. The Seasiders, who lost defender Stuart King to a hamstring strain in the warm-up, flew out of the blocks and carved out five excellent chances in the open 15 minutes.

They took two of them. Joe Bond tapped home from five yards in the sixth minute after a clever turn and cross by fellow striker Rob Thomson.

Mike Legg added number two with a long-range clip into an empty net on the quarter hour when Saints keeper Jason Newbury was caught off his line.

Defender Dom Rowe stabbed home the third and Lyme looked set for a cricket score with just 22 minutes on the clock. But Mark Parris young Combe side recovered their composure and slowly began to creep back into the match. Wayne Behan reduced the arrears on 54 minutes and when Jon-Paul Doyle slotted home a second midway through the half the alarm bells were sounding loud and clear amongst another bumper Davey Fort crowd.

Lyme manager Robin Townsend rang the changes with a Dan Prendeville and Fred Thomson entering the fray.

And it was Prendeville, who is beginning to look like he might just be the much needed a long-term striking option for Townsend, who lobbed Newbury from 30 yards to restore a two goal cushion at 4-2.

There was still time for both Newbury and Lyme keeper Ashley Caddy to pull off a string of fine saves before the talented James Boyland to net with a crisp drive after a weaving run to round off an entertaining game that was a credit to the League.

DIVISION ONE

A 90th minute header by Seb Martin from Ben McCaffery's cross rescued a point for Perry Street Reserves and stole two from the grasp of visiting Lyme Regis Reserves who led through a 75th minute strike from Ben Morgan.

Lyme were impressed by Harvey Brimicombe on his debut in goal and fellow 16-year-old Luke Street on the left flank.

DIVISION THREE

HAWKCHURCH were amongst the goals for the second week in a row.

The Hawks hammered visiting Crewkerne Town Reserves 5-1. This week the goals were shared around.

Tim Hussey netted 10 seconds after The Tigers had taken a 20th minute lead and that's how stayed up to the break.

It was one-way traffic after the restart with the hosts scoring through Glenn Harding, Martin Bright and substitutes Ed Rabbetts and Ollie Pearce.

Millwey Rise Reserves led all the way as they turned over Shepton Reserves 5-3 at First Avenue.

The Slopers, boosted by the inclusion of several first team regulars who couldn't make the Devon Cup match away at Alphington, had a few nervy moments at 4-3 but deserves their win thanks to goals from Marc Jenkins (2), Ollie Bailhache, Mike Knight and Haydn Lewis, with his first for the club.

DIVISION FOUR

A PHILL Morris strike salvaged a point for Charmouth Reserves in a 1-1 draw at Hinton Reserves.

Graham Barton moved up to 197 career goals in Farway United Reserves 4-2 win over Hawkchurch Reserves at Eastlee Park. Chris Legg (2) and Lee Couch also scored for the hosts with Stuart Weir netting both for the Hawks.

Rugby round-up

with Keith Jenkin

IT is widely acknowledged that, at the conclusion of the league cricket season, the sun emerges, and that was certainly the case on Saturday last, for I viewed Chard's first game of their Somerset Premier League season on a day lent to September by flaming June.

Saturday was, in fact, a defining moment for the Chard club for it fielded no less than four league sides for the first time in its history, including a colts team.

SIDMOUTH 17 HARTPURY COLLEGE 65

Saturday, September 12th was not a good day at the office as far as Sidmouth was concerned. Facing a very very handy Hartpury College unit at the Blackmore, they got off to the worst possible start for in the first minute they conceded a turnover on halfway.

Their opponents broke through the centre, found the support of the back row and their open side scored an unconverted try out wide. Hartpury maintained the pressure and increased their lead with a second try, scored by their winger who cut a good line from a ruck close in.

Both tries were unconverted and the home side then got back into the contest with a couple of long range penalties, kicked by Channings.

Although the home eight was competing well in both the lineout and the loose, it was being outscrummaged and this gave the visitors ample chances to attack throughout, and attack they did.

They increased their lead with another unconverted effort on the half hour and a good try it was. A Sidmouth kick ahead was not followed quite as it should have been and the ball was run back most effectively. True the ball carrier was checked on the home twenty two but possession was recycled, fed wide and the winger got over in the corner.

More was to come before the break. Hartpury won set scrum possession on halfway and created space for their winger to sprint over. This time the extras were added and the visitors led 22-6 at the halfway stage.

A Hartpury unconverted score was sandwiched by two more Channings penalty goals early in the second half but, subsequently, the visitors took full control by scoring twenty four points by the end of the third quarter. Both wingers completed their hat tricks. Their open side got his second of the game and one of their locks crashed over after a quickly taken penalty. Two of these scores were converted to take the visitors out of sight at 12-51 ahead.

Credit to them, Sidmouth did keep competing and, after a series of rucks inside their opponents' twenty two, Will Finch dived over for a try that remained unconverted.

Hartpury College had the last word however. They scored two converted tries before the close with the open side completing his hat trick and the full back finishing a flowing move that started well inside his own twenty two. The final conversion kick was the last kick of the game, leaving Sidmouth with much to ponder.

After a result such as this it would be easy to preach doom, gloom and despondency for Sidmouth. True, frailties in both their defence and scrummaging were highlighted.

They were highlighted though by a side whom I feel will be about when the promotion bouquets are handed out next April.

I seem to remember also that, at about this time last season many were wondering just where a win would come from. It came and a successful season ensued. Perhaps history will repeat itself.

HONITON 78 BUCKFASTLEIGH RAMBLERS 3

WHAT can one really say about this one? If I wanted to see a procession I would go to the Bridgwater carnival.

I know it is early in the season to form an opinion but this result, to my mind anyway, casts doubts on the decision to amalgamate the Devon Leagues divisions One and Two. Buckfastleigh were never in the contest from minute one and had Honiton's place kicking been better, the score would have been approaching the century mark by the whistle for no side.

As it was the scoring spree started early. Centre De Large charged over for the first try soon after the kick-off.

had to go off injured, leaving them three players down on the field, but held on to go into the break 0-0.

In the second-half, a similar pattern emerged and the Firegirls soon found themselves in front, Jess picking up a loose ball in the West Exe half and running clean through to score.

West Exe responded and began to put pressure on the Ottery goalmouth, with keeper Zoe forced into a number of saves. This pressure eventually told, as with two minutes to go, West Exe were

awarded a penalty, which they duly converted.

Despite this knock-back, Ottery picked themselves up for one last effort, and with the last play of the game, a corner was swung in dangerously and deflected off a West Exe defender into her own net, giving the nine girls of Ottery a well-earned 2-1 final result.

● **ALTHOUGH** into the season, new players are always welcome at Ottery, we train on Friday evenings with matches on Sundays, if interested contact Dale Strawbridge on 07531352484.

Brendan Findlay scored the second after he had peeled-off a maul. Nex touched down the third and winger Dobson finished clinically on a couple of occasions before the break.

None of the first-half tries were converted and the only Buckfastleigh came in the shape of a penalty goal.

The score then remained at 3-25 at the halfway stage and with the result already a forgone conclusion.

It was very much "more of the same" in the second period. De Large completed his hat-trick of tries well before the hour mark, with Nex converting one of them and the centre was to score two more before the end.

Dobson also scored a couple to add to his first-half brace and, with Nex, Sampson and Dean Norman also getting in on the act, and Nex adding three conversions, with out a second half reply from the home side, Honiton were really out of sight by the end.

Of course it's nice to go out and win at a canter on a fine September Saturday afternoon but I'm not sure that it means all that much and it certainly does not expose too many of one's shortcomings.

Having said that, you can only play the opposition that faces you on the day of the match, and Honiton certainly did just that

KINGSBRIDGE 2nd 12 HONITON 2nd 5

THE Honiton second side have not been served all that well by the fixture gods in the early season, having been asked to undertake their second long and tedious journey in as many weeks. They buckled down however and, after falling behind to a penalty goal, took the lead through a Dan Garman try, scored after a break by Ollie Rice.

The score remained then at 3-5 at the halfway stage and they continued to give as good as they got during the second period, with Keyward and Dalton giving them impetus from the scrum's engine room.

They did fall foul of authority a little however and Kingsbridge chipped away at their lead via the boot. In fact, three home penalties in the second half were enough to take the Kingsbridge side to the win by the end.

PREVIEW

SATURDAY, September 19th has been set allocated as a day when the preliminary round of the various cup competitions takes place and a number of local clubs are without a fixture.

Both local sides are involved in league action however, or HONITON first side would be but, as there is an odd number of sides in the newly constituted division, has no fixture and may well be looking for a fixture in the pool.

Sidmouth make the journey to IVYBRIDGE and I seem to remember that they came out on top of these opponents last season but, from a current form standpoint, Ivybridge already hold a narrow decision over Paignton this term and games between Sidmouth and the South Devon side are generally close. I do take Sidmouth to put the traumas of last weekend firmly behind them and notch their first league win of the campaign. There won't be too much in it though.

Sidmouth also face Ivybridge at second team level and should certainly win at the Blackmore, while the third team should also have too much for Wessex seconds.

Honiton seconds however, after the travels of the last two weeks, are blessed with a home game. OPM seconds are their opponents and I think that they might just sneak a decision over the second team of the Cornwall & Devon League side.

DEPLETED OTTERY IN GUTSY WIN

West Exe under 14s 1

Ottery Firegirls 2

by Sam Czerez

DUE to various absences, Ottery Firegirls took to the field with just nine players at the kick-off, against a strong-looking West Exe side.

However, it was in fact Ottery that gained the upper hand from the off, with plenty of shots on goal and a solid defence that dealt with any challenge that came their way at the back.

The Firegirls were then dealt another blow when another player

THE Tigers collected maximum points despite being without Sam Dibbling, Richard Spiller, Richard Challis Olly Highett, Joel Gosling, Richie Emmett and striker Terry Emmett who's leg is now out of plaster and is now in light training.

But there is some good news on the squad front as ex-Torquay trainee Ben Vine has signed for the club certainly and made the difference on Saturday when he came on as substitute for the injured Danny Beer who had to go off with a badly bruised leg.

The first-half was fairly even with both sides going close and no one dominating play.

The second-half it was a completely different game with Axminster changing their system by moving striker Tristain Gale to left back and midfielder Dominic McAllister up front. This gave the tigers more balance and it was not long before they got their rewards.

Vine's pace was causing all sorts of problems for the Exmouth defence and in the 57th minute he set up striker Mark Hancock for the opening goal by cutting inside and putting him through - the big striker made no mistake from 20-yards.

10th Musbury Castle multi-terrain challenge run

A FINAL reminder to all potential runners that this coming Sunday (20th September) sees the 10th Anniversary of the Musbury Castle Challenge.

To celebrate, this year's multi-terrain run has a brand new 10 miles course, with a mini/junior run of around 3 miles, taking in the countryside around Musbury, as well as the climb up to the castle. All money raised this year will go to the

Neurofibromatosis Association and the Devon Air Ambulance. Entries are welcome on the day - registration will take place outside the

Golden Hind. The race starts at 10.30am, so arrive in plenty of time in hand! There will also be a number of stalls standing around the start/finishline. Further details can be found at <http://www.musburycastlechallenge.co.uk/>

The picture was taken before Feniton's first match of the season against Colyton, which they won 3-2. Jake Upsher opened the scoring after five minutes and Ben Titmuss made it 2-0 before half-time.

In the second-half, Colyton battled back to level the scores at 2-2 before Ben Titmuss scored his second of the game to seal all three points for Feniton. Goalkeeper Cain Spiller made some fine saves and Arron Rowland was captain.
